Q: To become a girl who is as cool and strong as Zoro, what should I do?

A: Hmm...a girl? Let's see... First of all, do squats!!
And eat sardines to strengthen your mental powers!!

Q: Oda Sensei, hello, or rather, *ni hao*!! I used my whole brain to compose Luffy's song. Please read it, dance, and cry!

First verse: Gum^{x3} Gum Ya-a-ay
 Am I a Gum-Gum Person, or a Rubberman?
 Gum^{x3} Gum Yahoo
 Lalalalaa Lalaa Lalalalaa Oooh

Second verse: Gum^{x3} Gum Stretch
 I'm the Pirate King, I'm amazing!!
 (Gum^{x3} Gum)^{x2} Amooon

What do you think? Do I win? Shall I go? Well, here I go!!

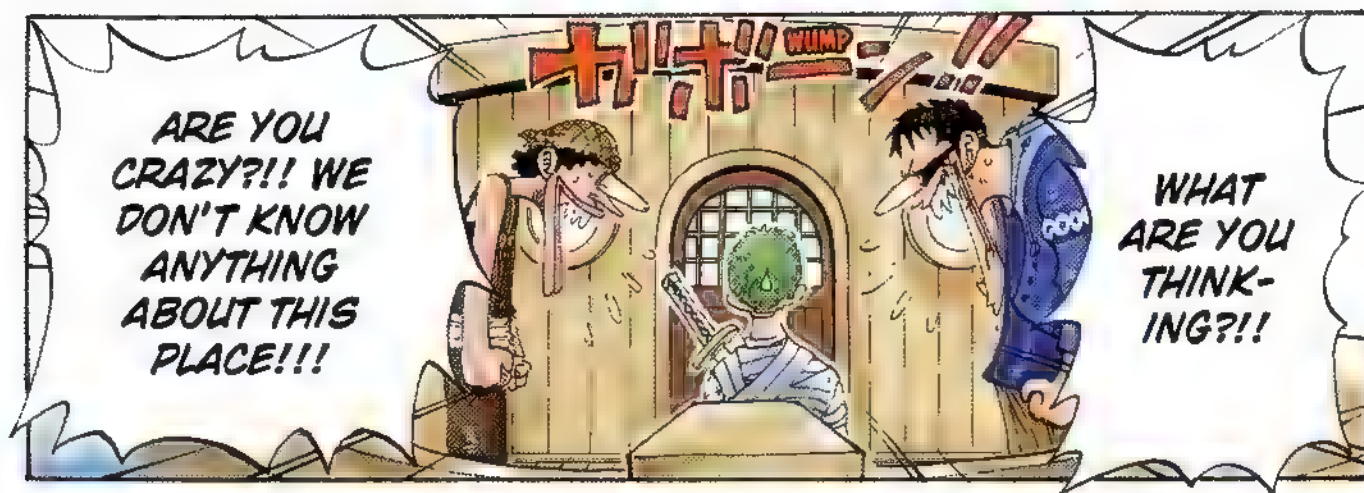

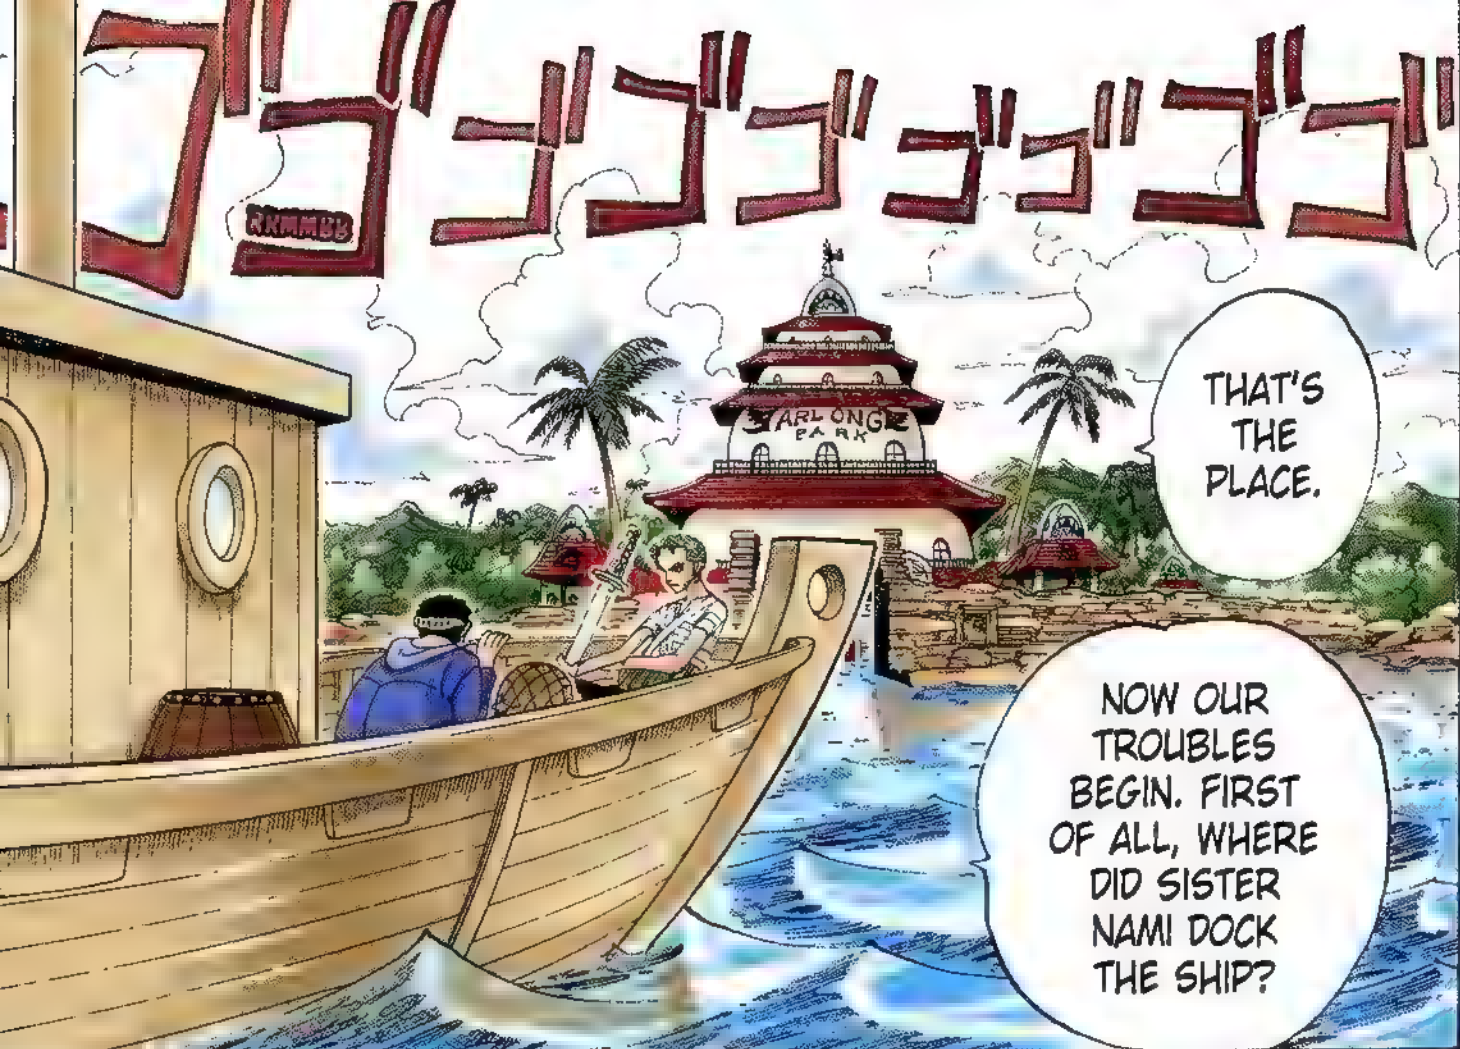

A: Yay!! Yes, GO!! Go far!!

Q: Is Luffy natural or synthetic rubber? This is an inquiry from the Meteorological Agency (with cooperation from the Ministry of Education).

A: Natural ~~duke~~ rubber.

Q: When my friends and I talk about *One Piece*, I like Shanks, Friend S. likes Zoro, and Friend I. likes Luffy, but R. likes Buggy and Jango. Should he see a doctor?

A: One would have to be seriously ill to like those two. Please tell him to rest quietly at home and drink plenty of liquids. And tell him that if he perseveres, good things will come to him...

Q: What does the D in Monkey D. Luffy stand for? Is it Donburi (a bowl of rice with topping)? Daibutsu (a statue of the Great Buddha)? What?! I gotta know!!

A: I get this question all the time.

But I can't answer it... yet. For now, don't worry about it, Just read it as "D."

Q: What's the relationship between pirates and rum?
In books, pirates and rum are inseparable.

A: Not just pirates and rum, But all seafarers and rum. The short story is that rum was cheap, so the British navy in pirate times switched from Brandy to rum for the sailors' Grog rations, which led to hard-drinking mariners being associated with rum. By the way, the reason there was so much alcohol aboard the ships was that on long sea voyages, water would go bad.

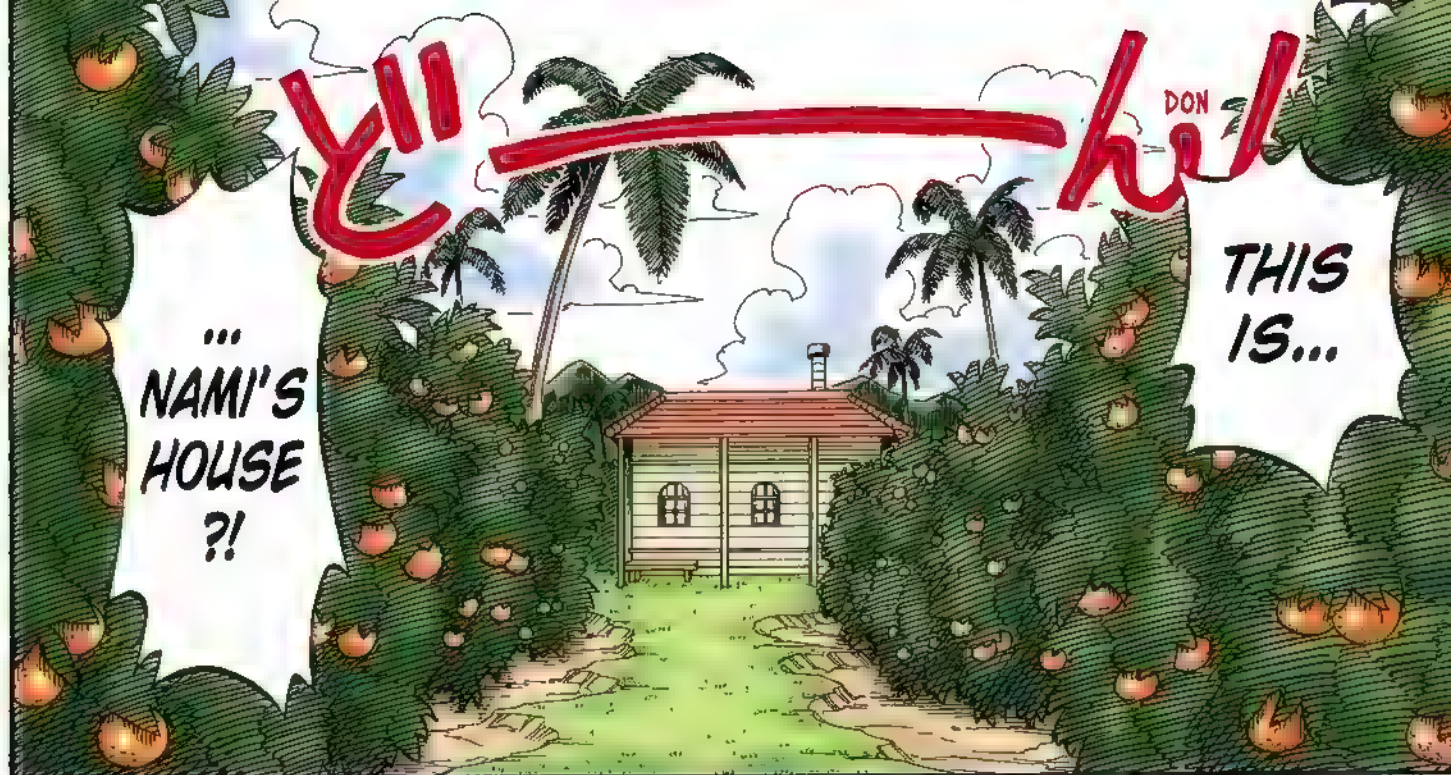

Q: The other night, I met an inhabitant of the planet Gum-Gum. I asked him how long his arms stretched, and he said, "705 Poison Gum-Gums." How long is 705 Poison Gum-Gums?

A: You met a Gum-Gummian!! Amazing!! And lucky!! A "Poison Gum-Gum" is a unit equal to ten Gum-Gums. So that's 7,050 Gum-Gums!! We're talking cosmic distances!! But be warned--of all the races in the universe, the Gum-Gummians are the most likely to say ridiculous things.

NOTES
CORNER

- IN JAPAN, PROSTRATING YOURSELF ON ALL FOURS, OR "**DOGEZA**", IS CONSIDERED AN ACT TO SHOW IMMENSE RESOLVE. IT'S ONLY USED EITHER TO APOLOGIZE OR ASK FOR SOMETHING REALLY SERIOUS, OR TO SHOW INCREDIBLE THANKS. IT'S NOT SOMETHING TO BE DONE LIGHTLY, WHICH IS WHY GIN TOLD KRIEG TO NOT BOW HIS HEAD, BUT IT GOES TO SHOW JUST HOW GRATEFUL SANJI IS TO HAVE BEEN RAISED BY ZEFF. THERE IS AN INTENTIONAL CONTRAST HOWEVER, AS USUALLY VERY POLITE LANGUAGE WOULD BE EXPECTED IN SUCH A MOMENT, WHEREAS SANJI KEEPS USING INSULTS

- YOSAKU ELABORATES THAT THE "GOVERNMENT" MENTIONED MANY TIMES UNTIL NOW IS ACTUALLY THE "**WORLD GOVERNMENT**" (世界政府), AN ORGANIZATION WITH GLOBAL REACH. THE MARINES ARE THEIR DIRECTLY SUBORDINATE MILITARY

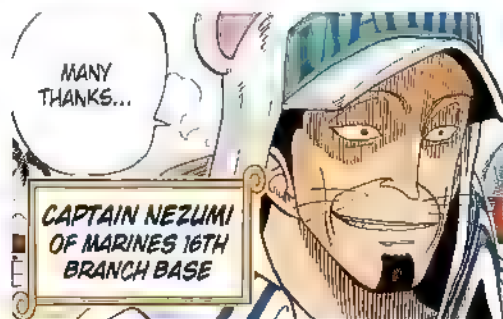

- THE **OUKA SHICHIBUKAI** TRANSLATE TO THE "ROYAL SEVEN WARLORDS OF THE SEA", BEING A GROUP OF SEVEN PRIVATEERS WORKING FOR THE GOVERNMENT IN EXCHANGE FOR A PARDON, THOUGH EACH OPERATE INDEPENDENTLY. THE TERM "SHICHIBUKAI" MEANS "SEVEN WARLORDS", BUT IT USES THE KANJI FOR "SEA". THEIR FULL TITLE IS PRECEDED BY "OUKA", WHICH MEANS "WORKING UNDER THE KING". EVEN IF MANY TRANSLATIONS OFTEN OMIT THE "KING" OR "SEA" PART, OFTEN OPTING FOR JUST "THE SEVEN WARLORDS", THE NAME BEARS RELEVANCE. WHAT SAID ROYALTY THEY SERVE REFERS TO IS A STORY FOR ANOTHER DAY

- ONE OF THE SEVEN WARLORDS IS SAID TO BE THE FISH-MAN **JINBE**. HIS NAME, JINBE, IS LITERALLY JUST THE NAME FOR THE JAPANESE WHALE SHARK. ALONGSIDE MIHAWK, YOU MIGHT REALIZE ALL WARLORDS HAVE NAMES THAT RELATE TO ANIMALS. THOUGH MISTRANSLATED BY MANY AS JIMBEI DUE TO BEING A COMMON MISSPELLING OF THE ANIMAL, JINBE IS CORRECT

- THERE ARE TWO PART-FISH RACES THAT EXIST IN THIS WORLD. THE FIRST ARE **MERMEN** (OR THEIR FEMALE COUNTERPART MERMAIDS), WHICH LOOK LIKE HUMANS BUT HAVE THE LOWER BODY OF A FISH. THE OTHER ARE **FISH-MEN** (OR THEIR FEMALE COUNTERPART FISH-WOMEN, OR FISH-MAIDS IF YOU WILL), WHO HAVE HUMAN-LIKE LEGS BUT THEIR UPPER PARTS LOOK MORE FISH-LIKE. IN JAPANESE, MERMEN (NINGYO, MAN-FISH) AND FISH-MEN (GYOJIN, FISH-MAN) SIMPLY INVERT THE ORDER OF KANJI. HOWEVER, MERMEN/MERMAIDS ARE PREFERRED AS A TRANSLATION OVER MAN-FISH DUE TO SOUNDING BETTER IN ENGLISH. AS MENTIONED, FISH-MAN ISLAND IS THE HOME OF THEIR PEOPLE, SAID TO BE FOUND SOMEWHERE ON THE GRAND LINE

- **NEZUMI** MEANS "RAT" IN JAPANESE, HENCE HIS RAT MOTIF. HATCHAN EVEN POINTS THE SIMILARITY OUT, AND YOU CAN SEE IT IN HIS LAUGH

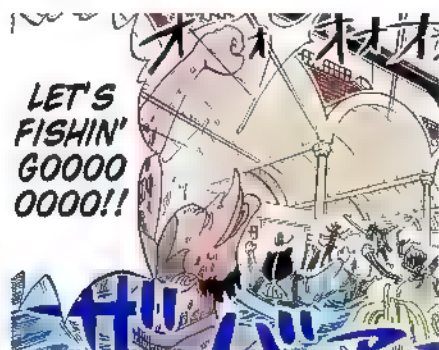

- **HATCHAN'S** NICKNAME, "HACHI", MEANS "EIGHT", REFERRING TO THE NUMBER OF OCTOPUS TENTACLES

- **ARLONG'S** LAUGHTER, "SHA HA HA" IS DERIVED FROM "SHARK"

- **ARLONG** LITERALLY CALLS NEZUMI "WATER STINKER" IN JAPANESE, WHICH WHILE SOUNDING SILLY IN ENGLISH, MEANS SOMEONE WHO IS UPTIGHT. GIVEN HIS CONNECTION WITH THE SEA, THIS WAS TRANSLATED AS "YOU'RE NO FISH OUT OF WATER", THOUGH YOU COULD ALSO CALL IT A "WET BLANKET"

- "**COCOYASHI**", FROM COCOYASHI VILLAGE, IS THE JAPANESE WORD FOR "COCONUT"

- CORNY AS THIS PUN MAY SEEM, IT'S JUST AS SILLY IN JAPANESE, WHERE "UO OOOO!!" (AS IN "YEAH!!") IS WRITTEN WITH THE KANJI FOR "UO", OR "FISH"

Um...Right now, it's the seventh month of the year 1999, going by the western calendar. It's the month that Brother Nostra[damus] predicted would see "the destruction of the world by the great king of Anglemois." And so the world governments have taken the opportunity to put the great king of Anglemois on the most wanted list. His royal mug appears above. ↑ His punishment: "Confinement until the eighth month." If you should find him, please refrain from using any rolling savate or piledriver attack moves. (Signed, the world governments.)

-Eiichiro Oda, 1999

E

iichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

The story of ONE PIECE

Monkey D. Luffy

His dream is to become the Pirate King! And to reunite with Shanks! A rubberman with a wondrous body

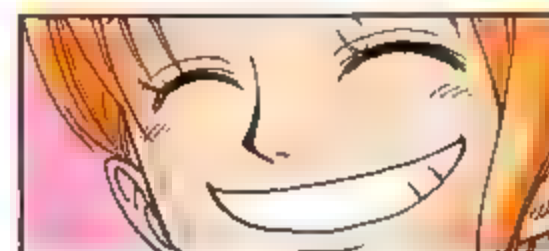

Roronoa Zoro

His objective is to be the World's Strongest Swordsman! He bears the epithet of "Pirate Hunter Zoro"

Usopp

He calls himself "Usopp the Proud" His father Yasopp is a member of Shanks' crew

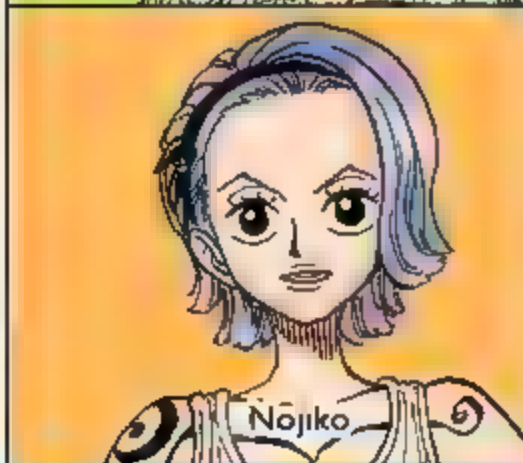

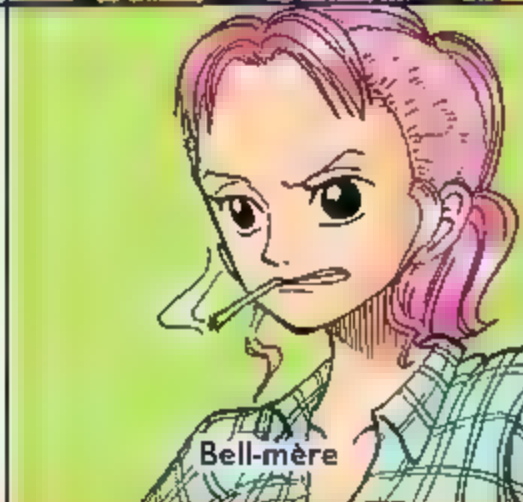

Nami

A self-proclaimed "chief who specializes in robbing pirates" The thing she hates the most in the world is pirates!

Sanji

A kind-hearted cook searching for the legendary sea, All Blue! But he's a womanizer

On their journey to the Grand Line, Luffy and his friends meet Sanji, a cook, at a seafaring restaurant where they stop and ask him to join their crew. However, Sanji has reasons why he cannot leave the ship. At that moment, the pirate Don Krieg appears and declares that he is taking the ship! Thus, a fierce battle with Luffy and his friends begins. After a brutal struggle, Luffy and Krieg finally face off. Strong-willed and unafraid of death, Luffy charges head-first into the fight and emerges victorious with a mighty attack—only to collapse from exhaustion.

After Luffy wakes up, he asks Sanji once again to join his crew, but Sanji still refuses. However, the cooks, who have been with Zeff from the start, put on a rough act to persuade Sanji to leave. Touched by the warmth (?) of his comrades' actions, Sanji decides to go with Luffy! Thus, the fourth member joins the crew.

Meanwhile, Zoro and Usopp, who had left earlier to chase after Nami, arrive at an island known as Arlong Park, ruled by fish-men. The moment they arrive, they are shocked by Nami's appearance. Unaware of this, Luffy and Sanji make their way to Arlong Park...

It is currently the Great Pirate Era. Countless pirates have raised their flags and gone to battle to find the hidden treasure left behind by the legendary Pirate King, Gold Roger—the treasure said to "connect all as one", the One Piece. Among those who admire pirates like Roger is a young boy named Luffy. He also admires Shanks, the leader of a pirate crew who was staying in his village. One day, he accidentally ate their spoil of battle, a "Devil Fruit". The fruit's special powers robbed Luffy of his ability to ever swim again, but also peculiarly turned his whole body into stretchy rubber! Soon afterward, however, he angered some bandits who had confronted Shanks and was tossed into the sea. As he was drowning, Luffy was set upon by a sea monster, but in an instant, Shanks was there to rescue him!—at the cost of his left arm

10 years later, using Shanks's straw hat as his trademark, Luffy set out to sea. His great journey to become the Pirate King had begun.

Q: Sensei, Zeff's moustache-braids won't stop growing! Please tell me how to make them stop .

A: Don't worry!! Sit back and enjoy Question Corner!!

Q: Dear Oda-sensei, I always enjoy **One Piece** very much! By the way, in the third panel on page 18 of Volume 7, there seems to be some writing on the knife that Sanji is holding, but I can't make out what it says. What's written there? Please tell me!!

A: You couldn't read it because I wrote it so that no one could read it. Still, I'm impressed that you spotted it. I'll confess. I did in fact write **Fist of the North Star**. It's a great manga that I was crazy about in elementary school. Do you know it?

Q: One day I was seized by a sudden strong urge to participate in the SBS Question Corner!! So please read this. Oda Sensei, why are you obsessed with shit? You have Sanji say it an awful lot!!

A: Heavens! What a filthy, nasty word! I'm embarrassed to even read it!! Please stop!!

Q: When reading Usopp's tale, Merry's words moved me so that I unexpectedly found myself crying like a strong man (even though I'm a girl). The tears ran down my cheeks and got in my mouth. Know what they tasted like?

A: Eyes cream?

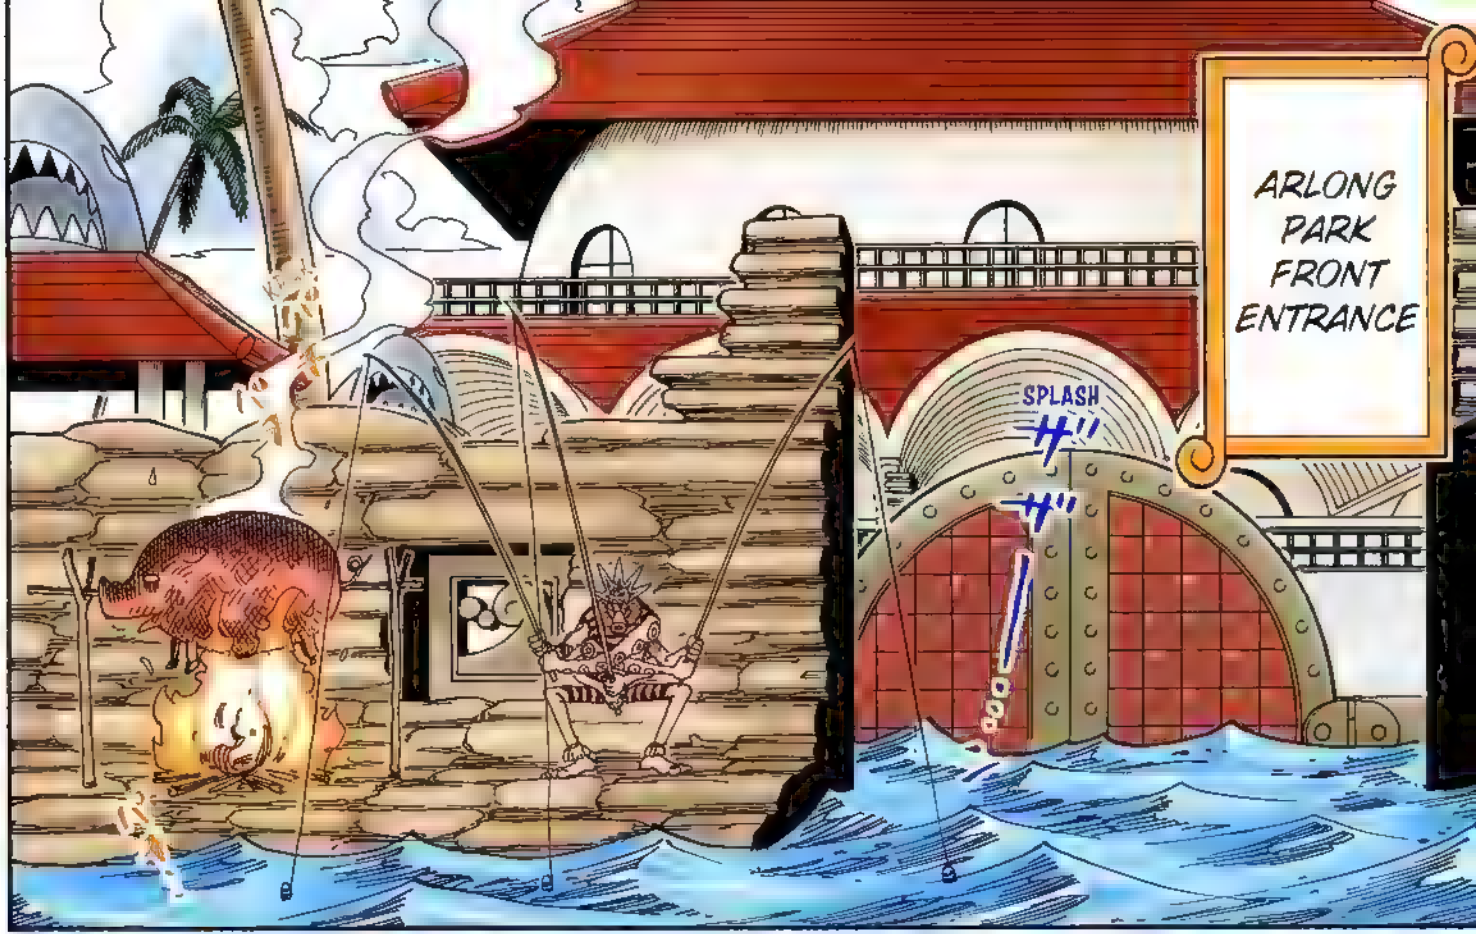

Q: I heard that Sanji's favorite snack is cake.

Meaning: "I want a cola right now." (And not a diet cola.)

Q: I went to the barbershop and said, "I want a manly
haircut!!" The barber said, "Okay!!" and shaved all my hair
off. It wasn't at all what I had in mind. Sensei, do I have
what it takes to be like Zoro? Please tell me!! Sob sob.

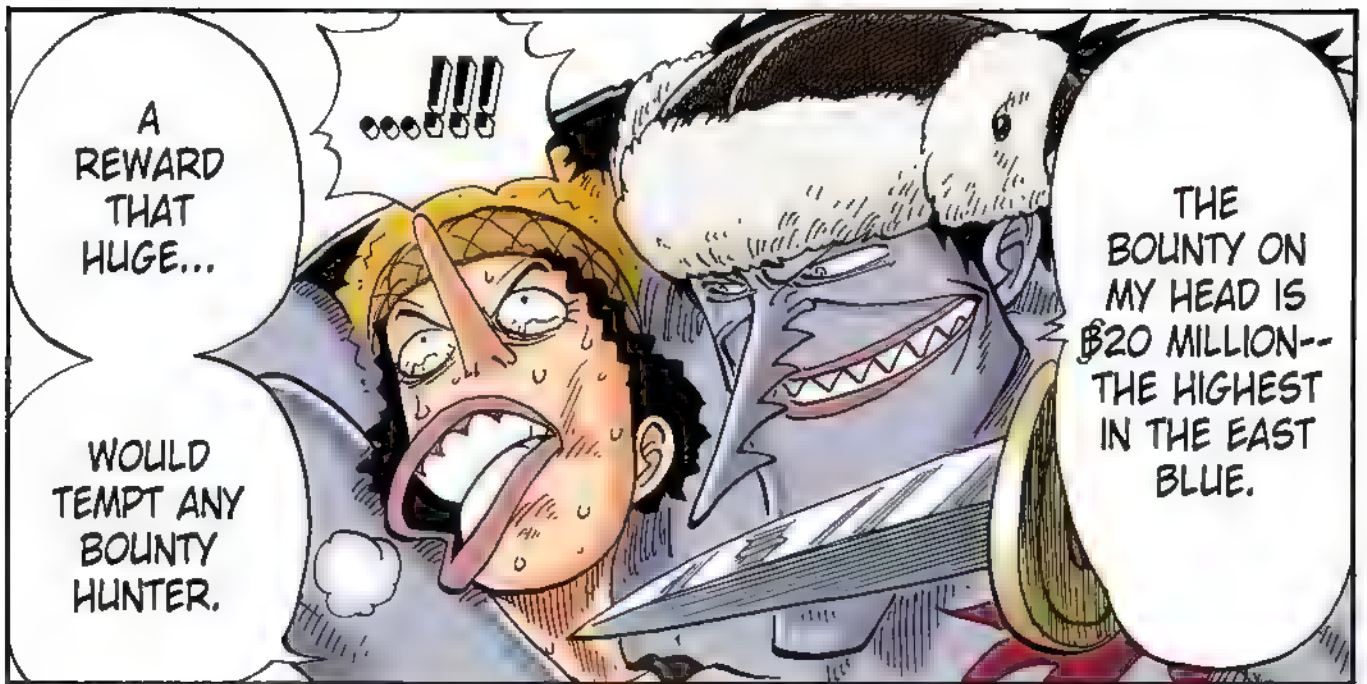

A: Don't cry!! Stand up!! There are some battles in which a
man must retreat!! So what if he shaved your head!!
When your hair grows back, challenge that barber
again!! Think of it as a rematch!! Though personally, I
wouldn't do it. (Wild laughter)

Q: Oda Sensei!! It's terrible!! My friend has caught the dreaded "I'll Die without a Snack" disease. What will cure it!? Hurry or he'll die!!

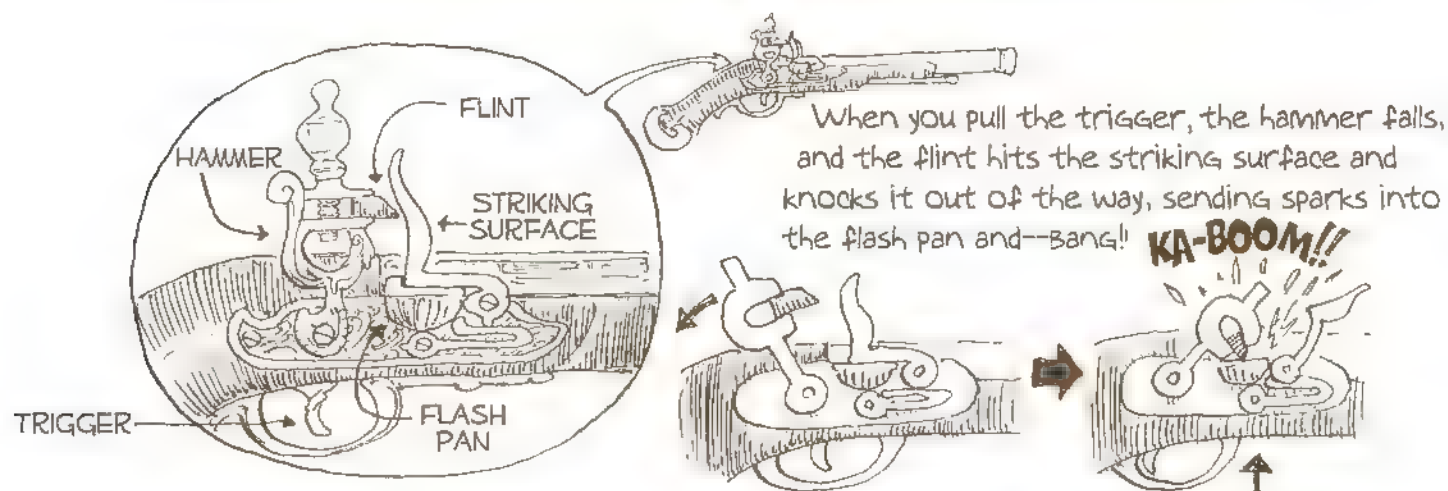

A: Don't panic!! Get a firm grip on yourself!! It'll be okay!! Keep your cool!! Calm down!! Good. Next question?

Q: How many fat-fats is Alvida's fatness?
Whizzzzzz. Crack! Agh!

A: Oh please, get outta here.

Q: What do you call the pistols used in **One Piece**? They don't look like matchlocks.

A: They are flintlocks. Flint is a rock that makes a spark when it strikes metal. Think of it as one step above a matchlock.

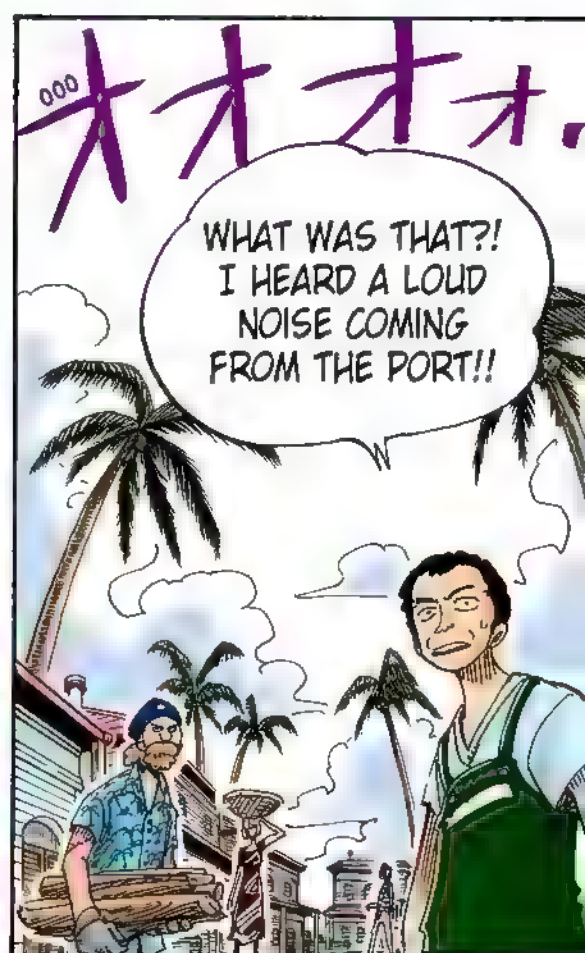

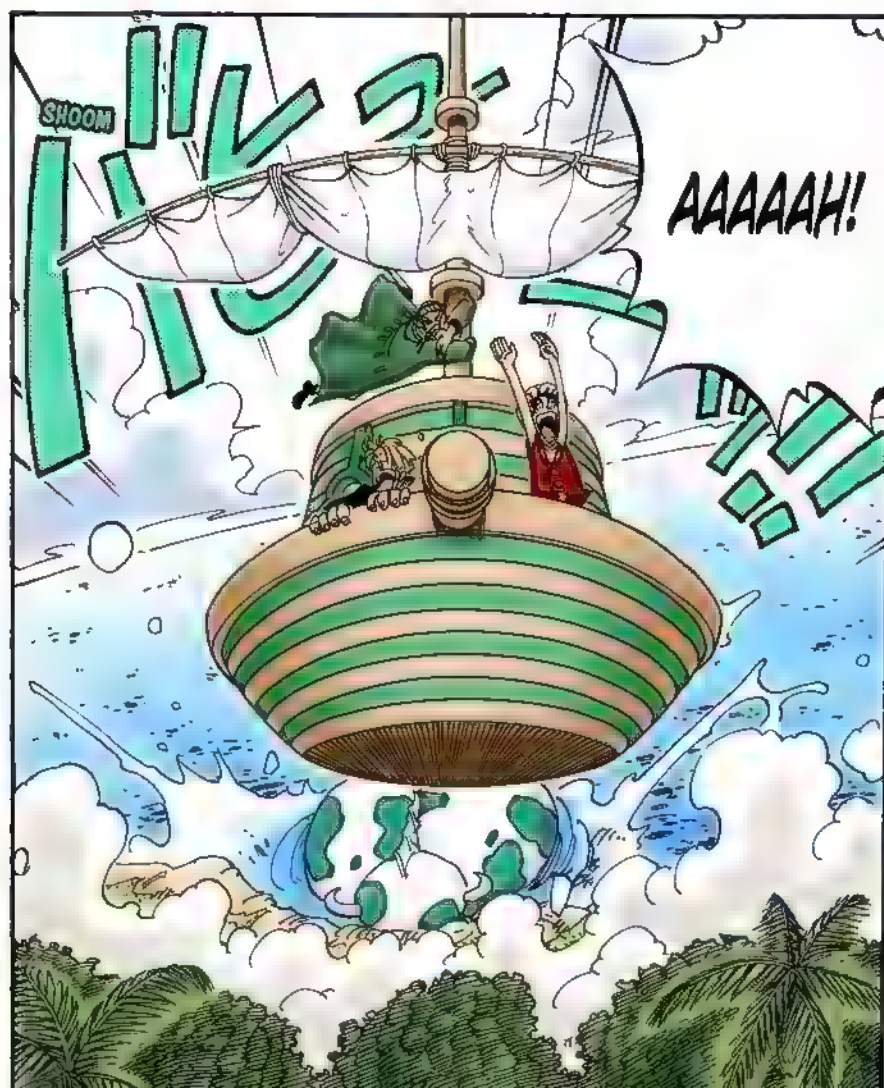

A flintlock had to be reloaded after every shot, so pirates sometimes carried 5 or 6 of them. However, in the world of **One Piece** some have been modified to fire repeatedly. Scary, huh?

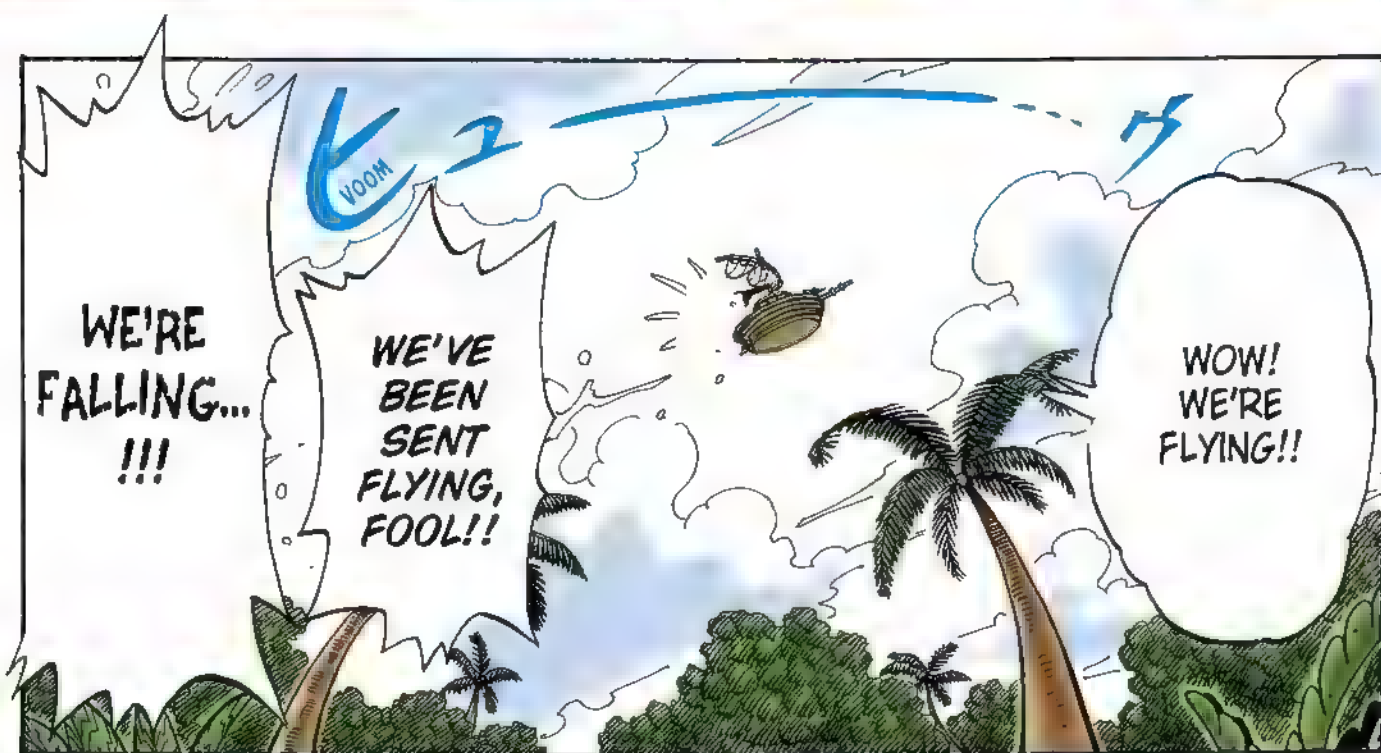

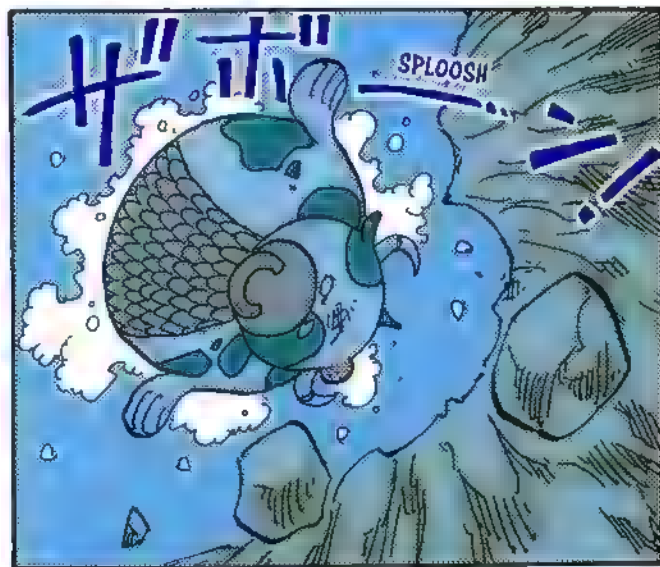

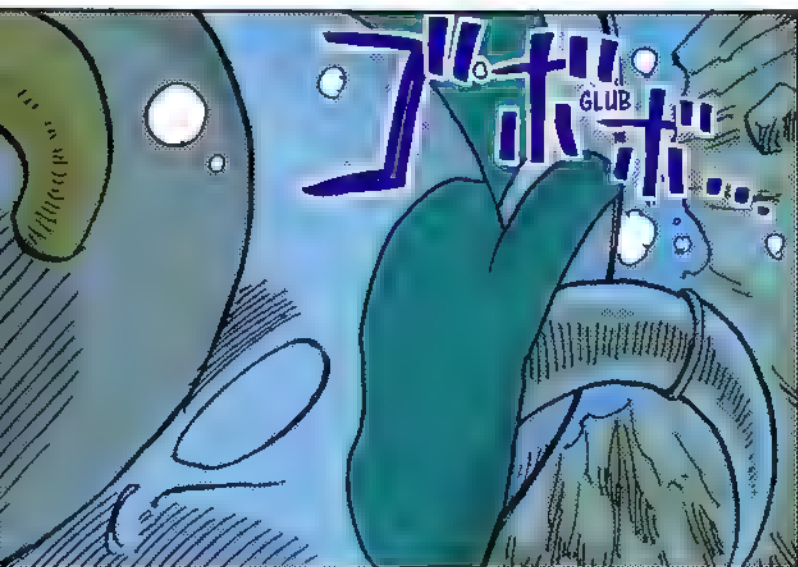

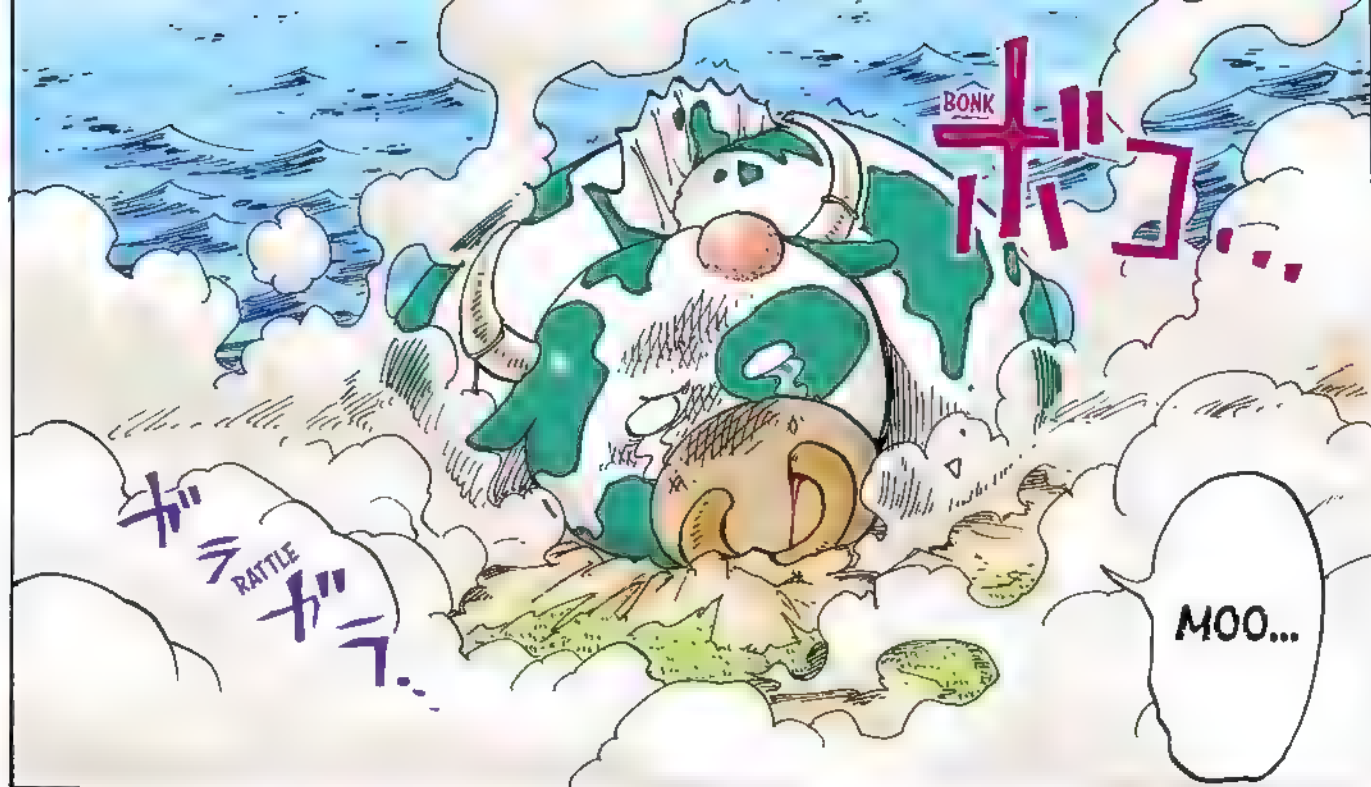

Sparks ignite the gunpowder, and the bullet shoots off with a bang.

Q: Hey, Mr. Oda!! Sit down!! I know you want to see your own profile, but be careful!! You could break your neck! Value your life more!! And shame on you for having to be told by someone younger than yourself!! Repent!! Dismissed!!

A: You're right...I'm sorry.

Q: I tried that thing in your note of VOLUME 7 about trying to see your own face in profile with only one mirror, and I sprained my neck. The doctor asked me how it happened. I didn't know what to tell him.

A: Then you're one of us.

Q: Hello. I had this bottle of wine and I thought, "What country is this from?" I looked at the label and it said, "dry, full body." I was a little bit surprised, but also pleased. That's the origin of the name of Lt. Fullbody's name, isn't it? Don't deny it.

A: I won't, that's exactly it! I don't drink much alcohol so I don't know a lot about wine, but it seems that the depth of flavor is called body! Strong wines aged for a long time are said to have "full" body. Lighter wines are said to have "medium" or "light" body. And that's where Lt. Fullbody's name comes from!

Q: Where was Gin hiding that weapon?
Was it "down there" or what?

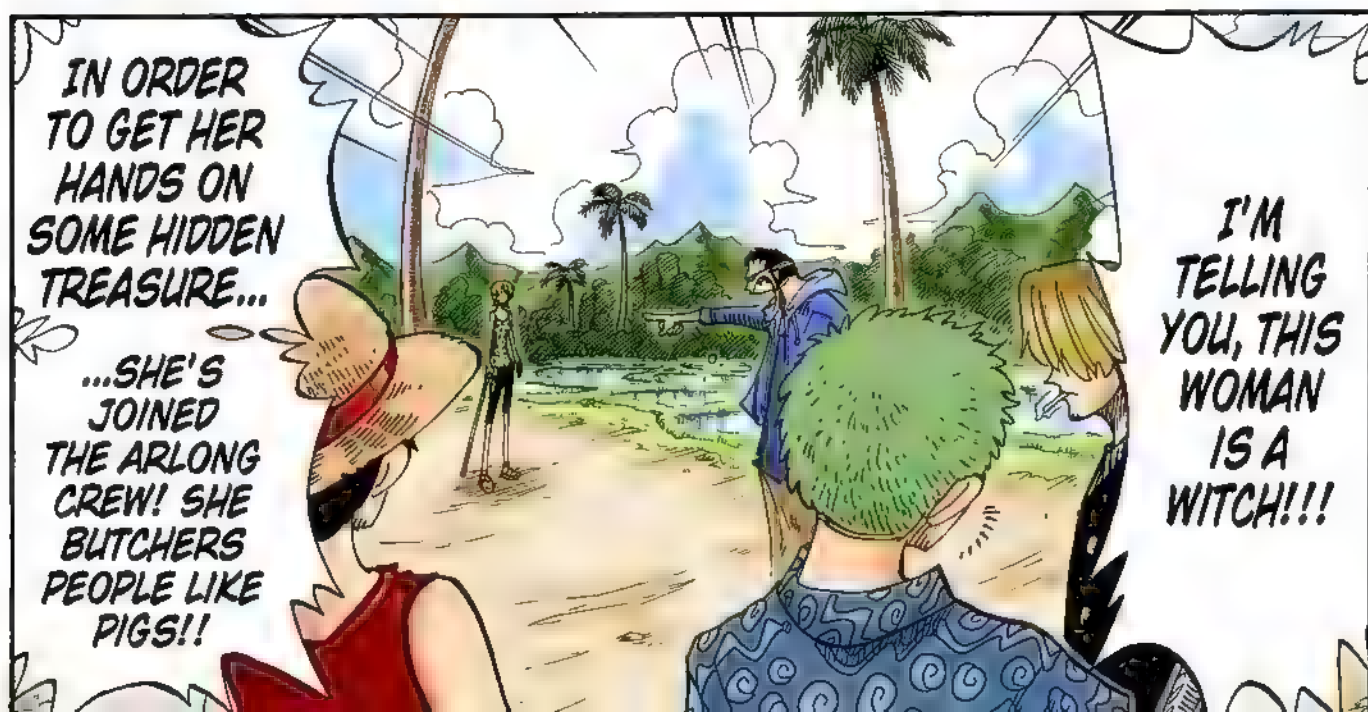

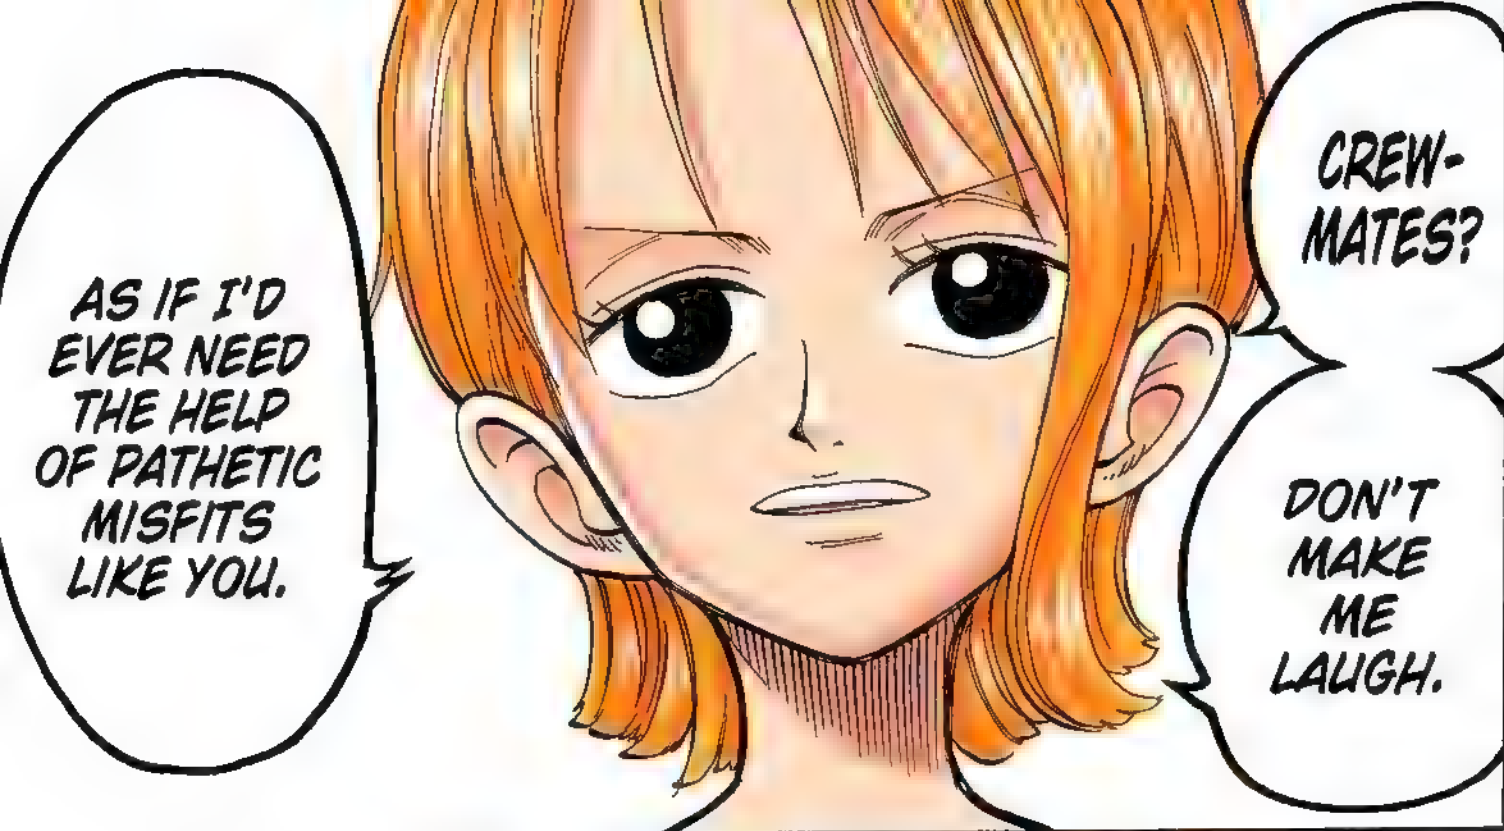

A: What?! Are you insinuating that the weapon was hidden between Gin's legs?! He wouldn't do a thing like that. Gin's fans are gonna be mad at you--and he's very popular.

HYIK HYIK HYIK... I AM CAPTAIN NEZUMI OF MARINE 16TH BRANCH.

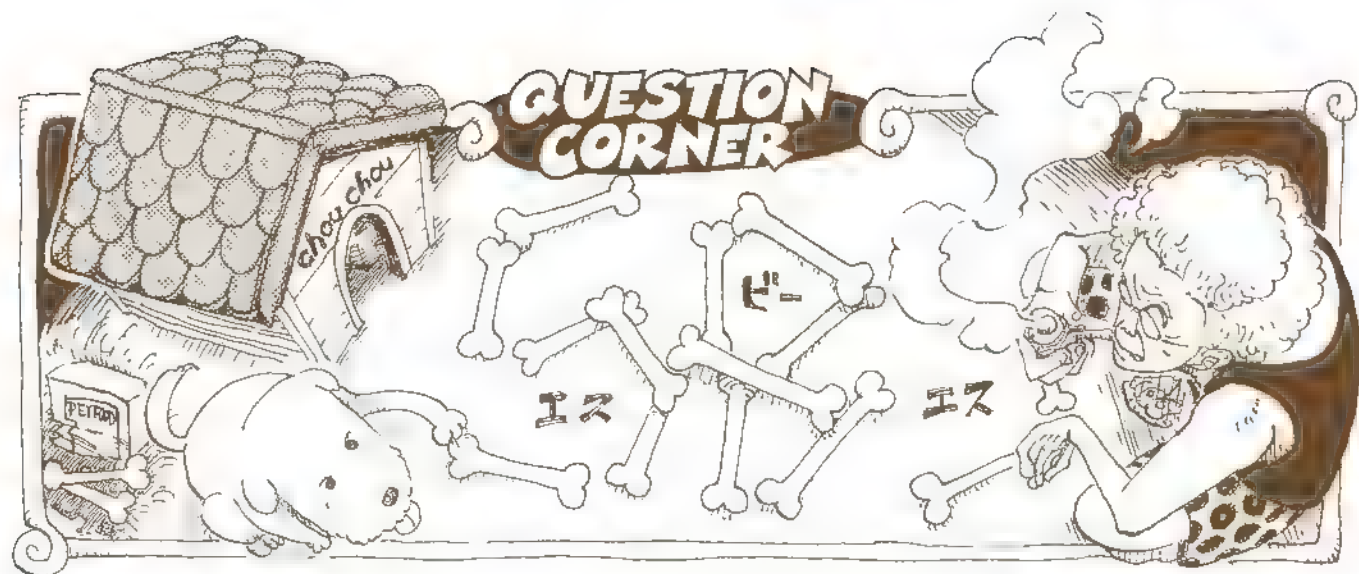

...THE WOMAN NAMED NAMI?

WHERE CAN I FIND...

TELL ME.

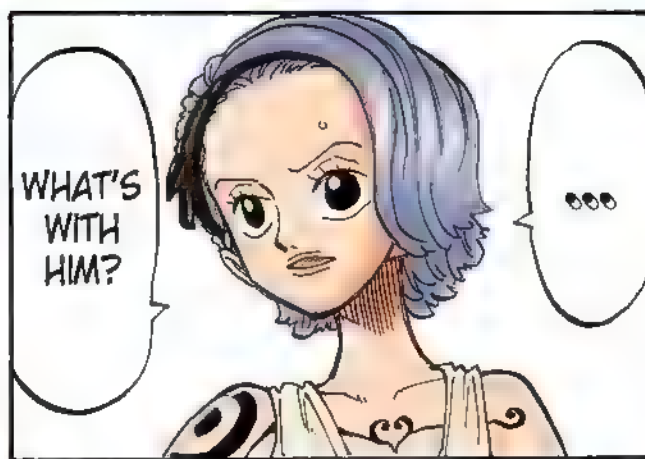

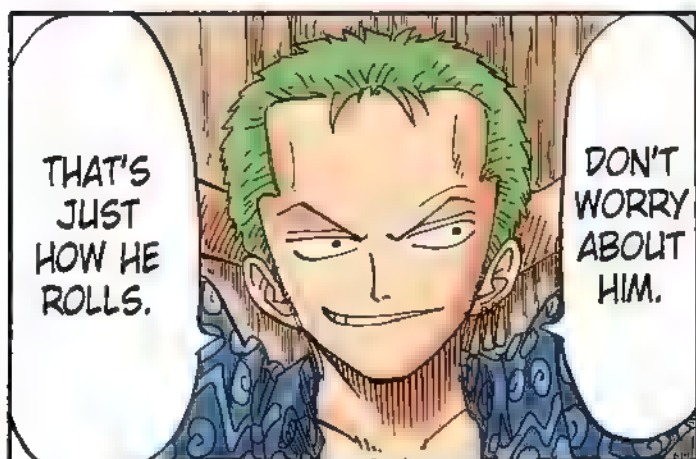

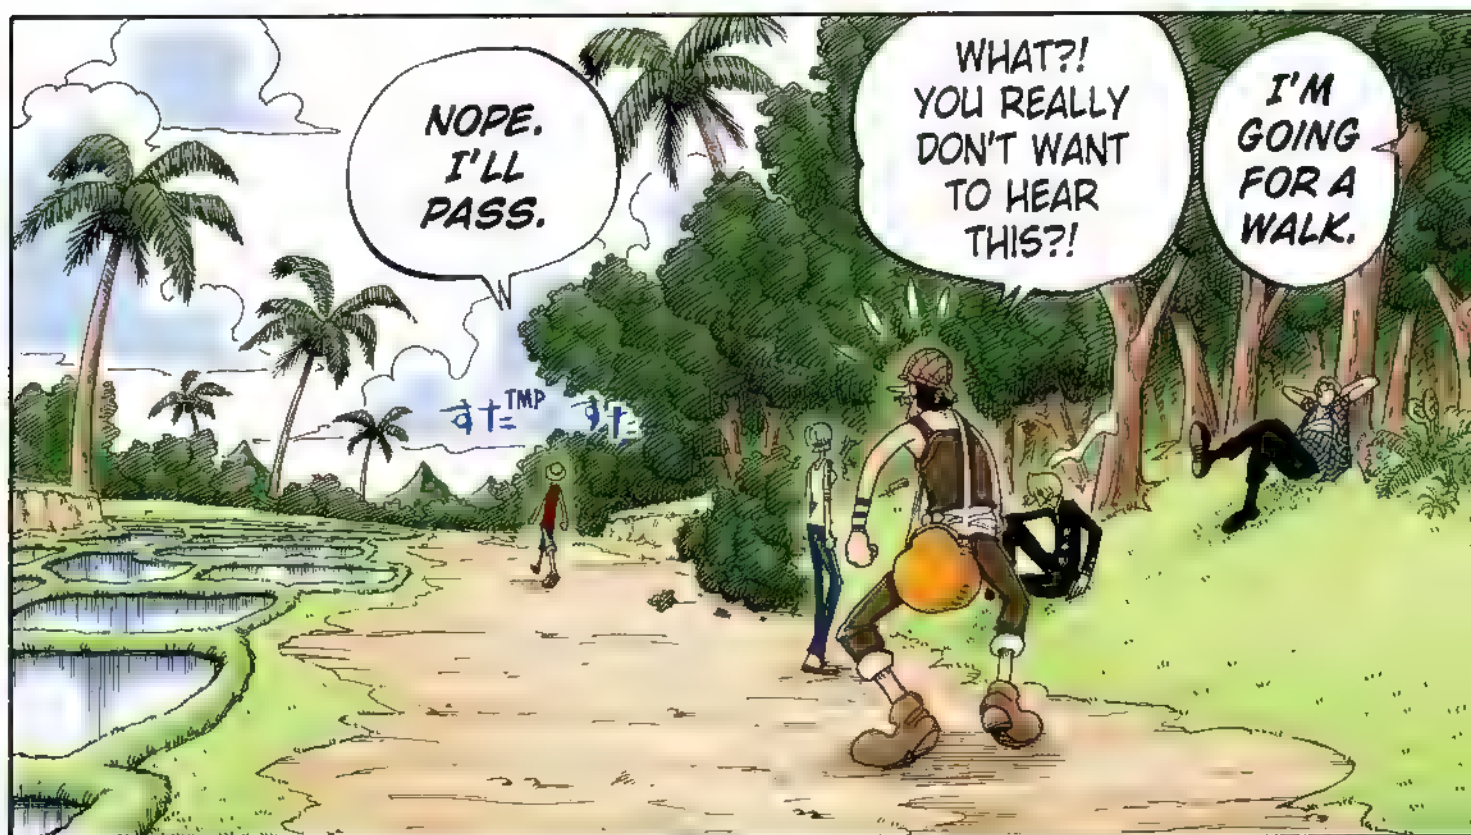

I'M GENZO, CAPTAIN.

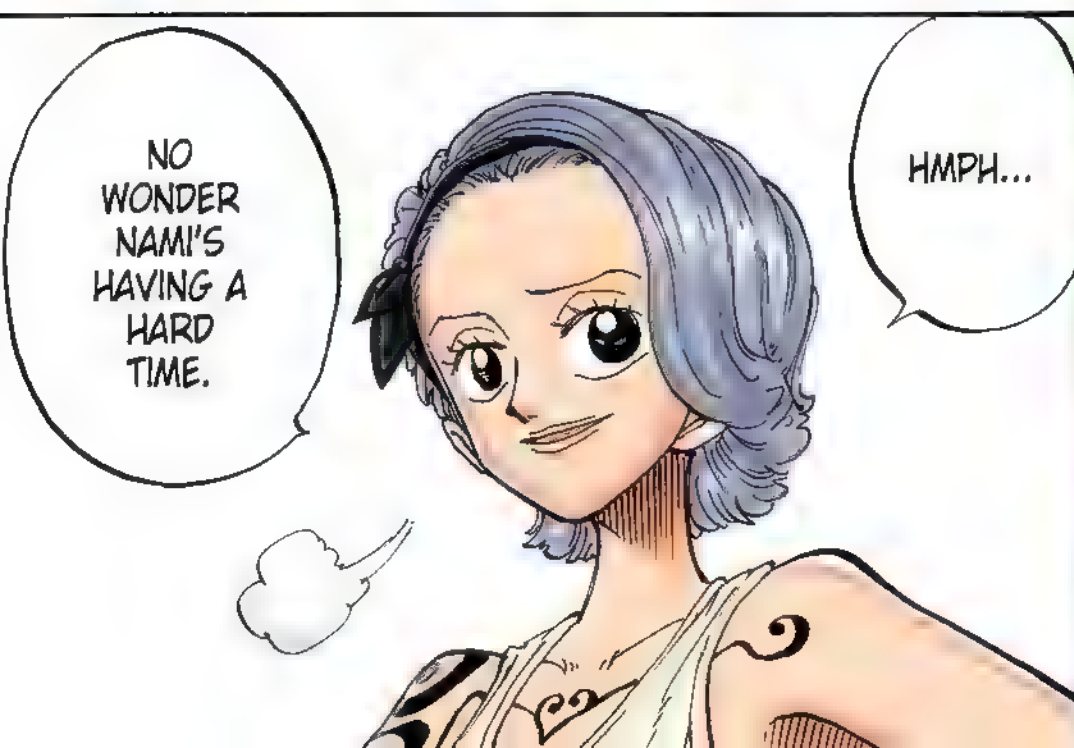

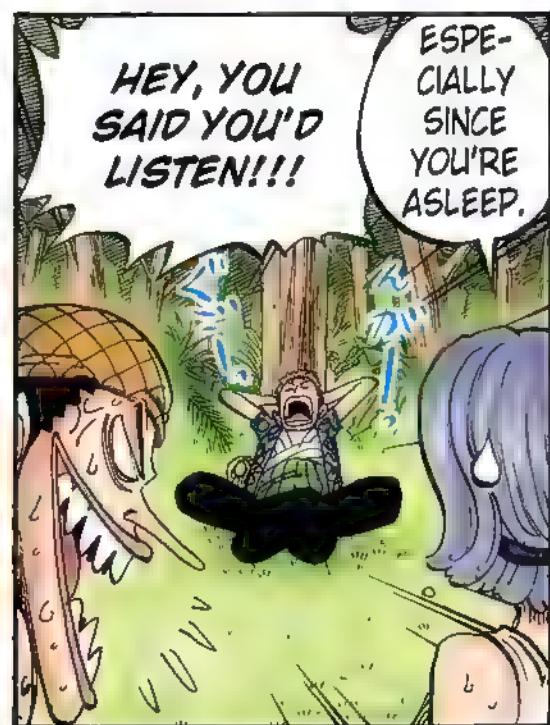

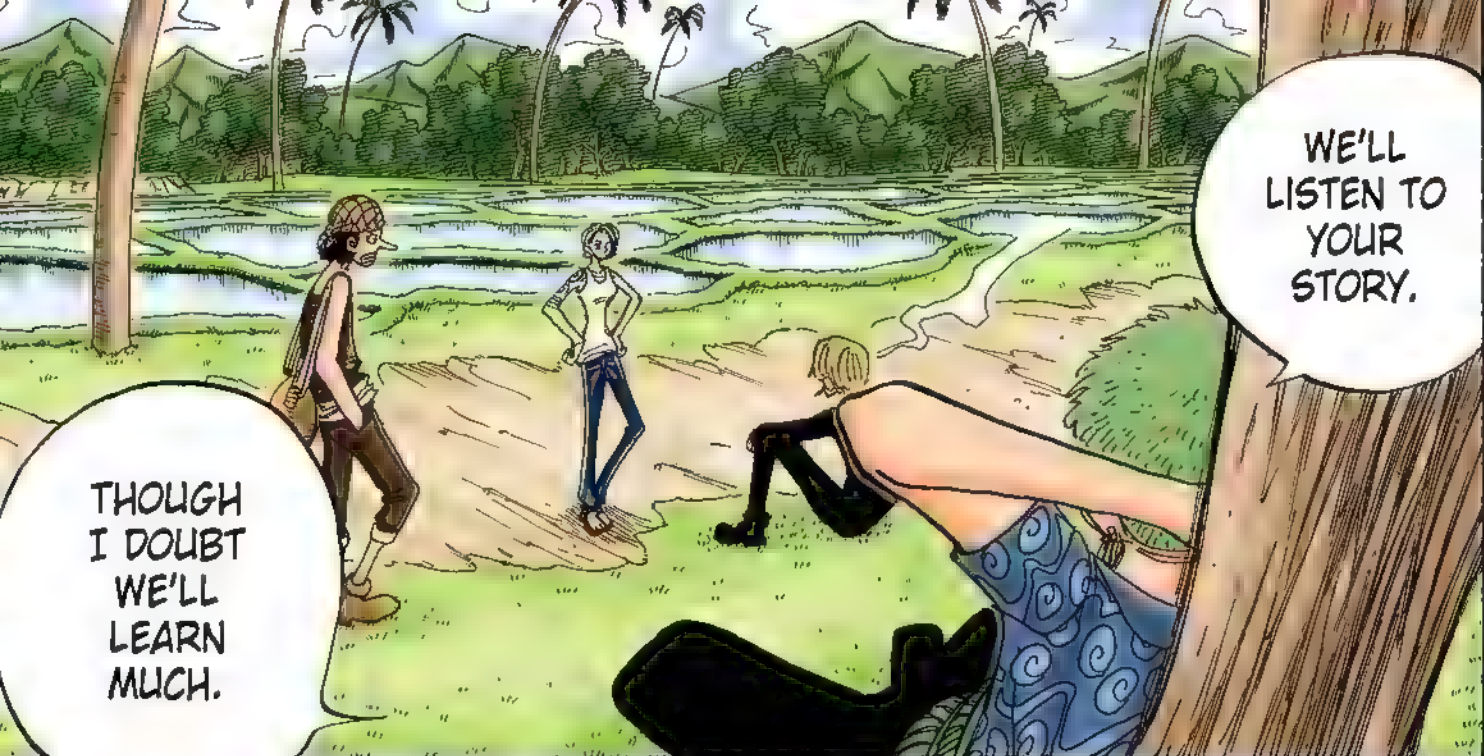

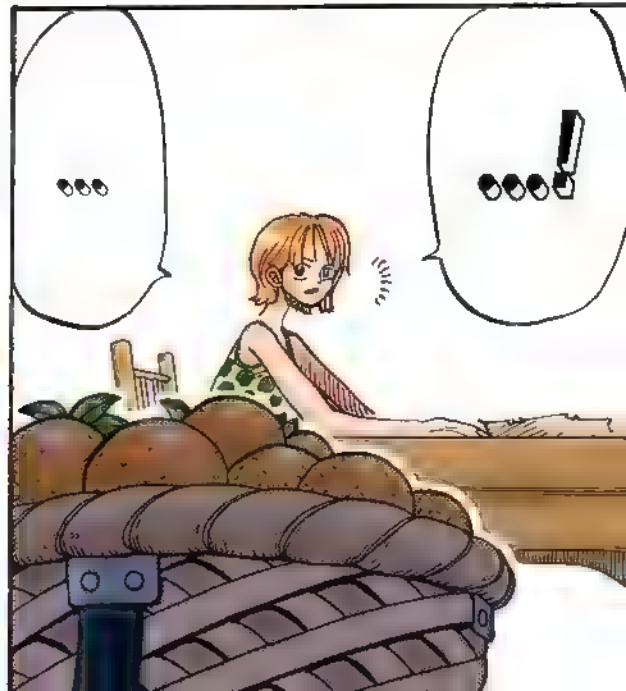

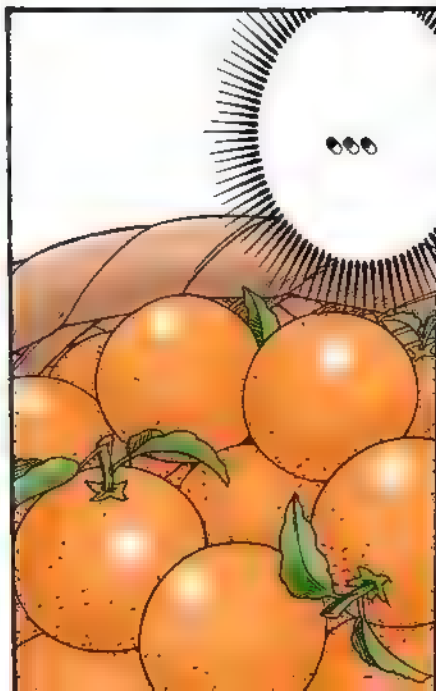

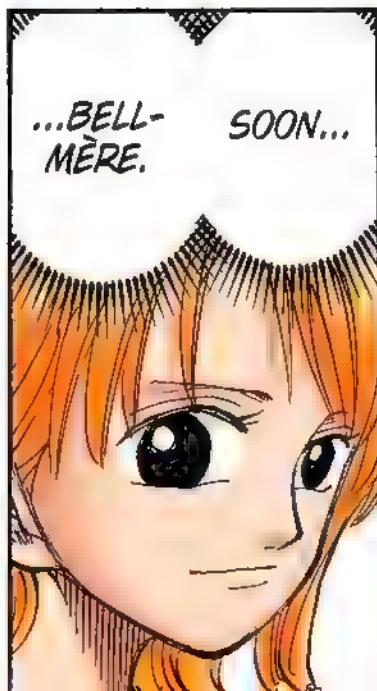

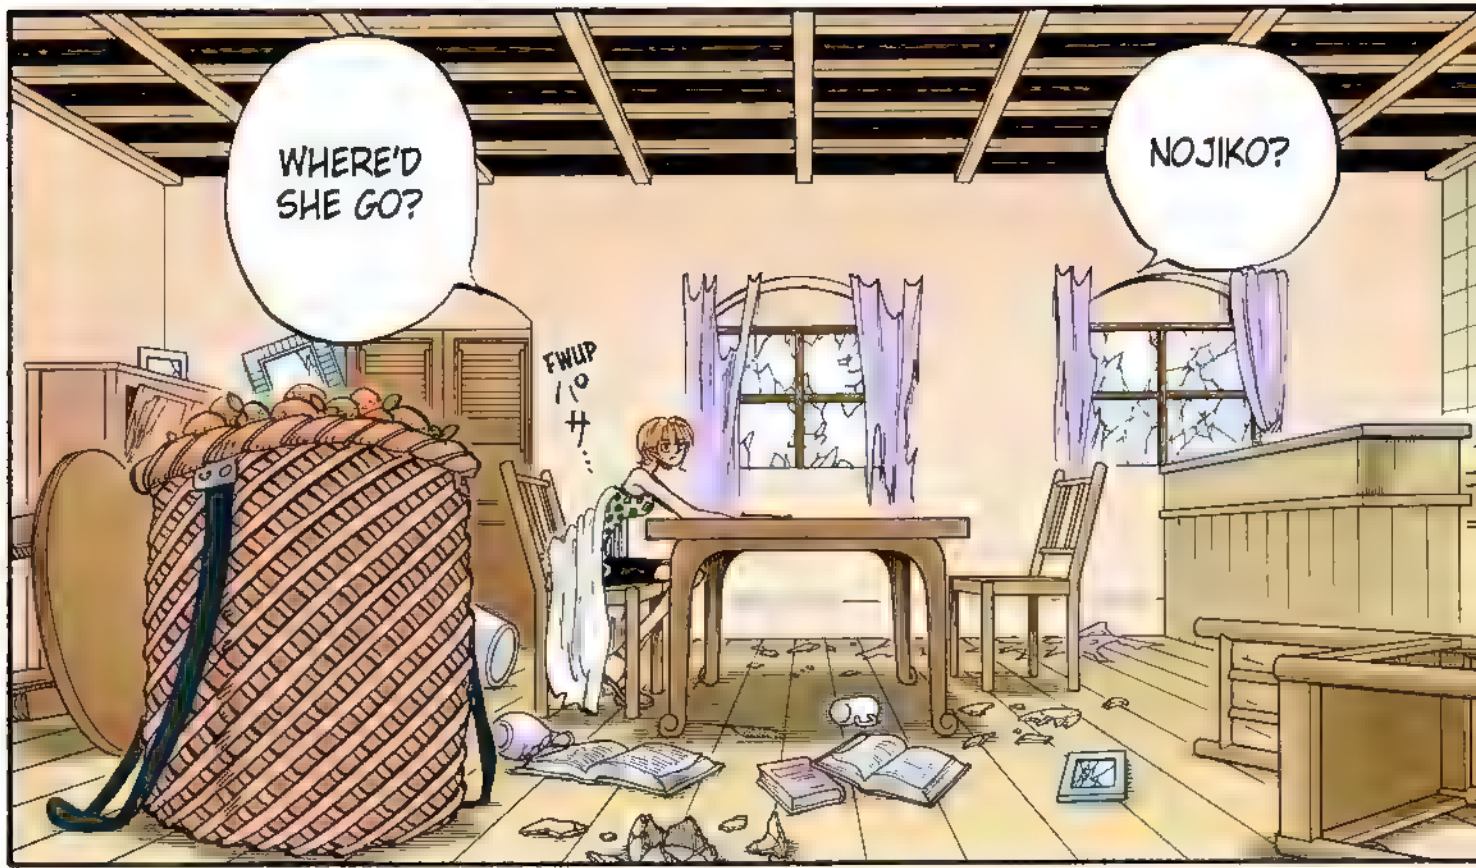

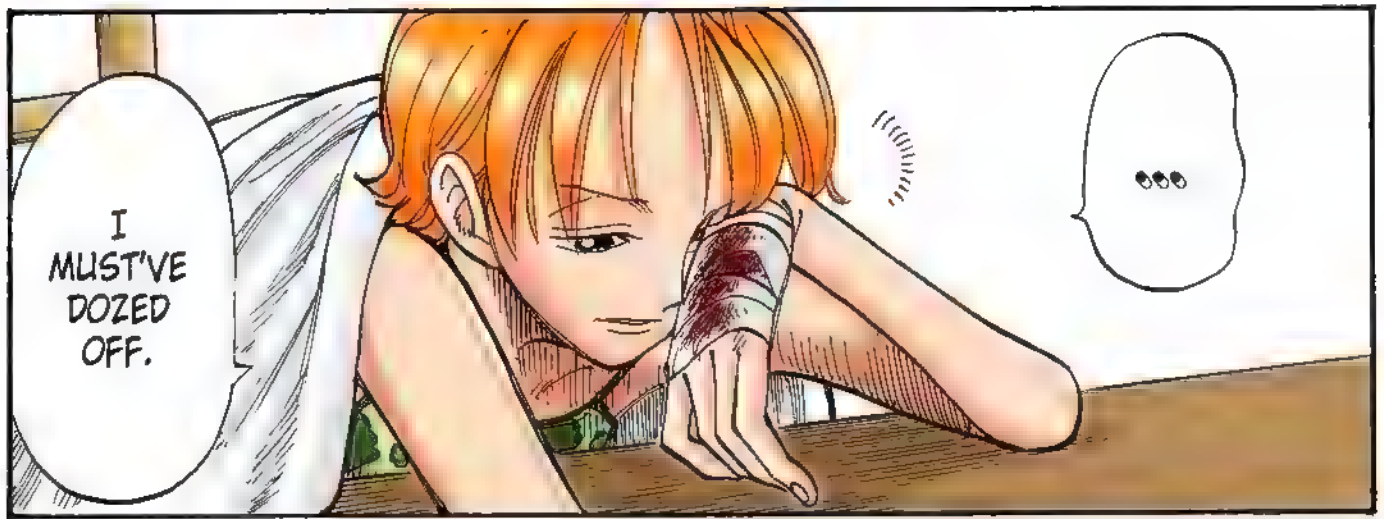

- Q: Hey, you!! Nami-lover from Volume 7!! Wanna fight?! I definitely love Nami more than you do! (x100) But I like you too! Am I crazy? Let's be friends.
- A: You sound confused. Nami-lover from Volume 7, be his friend, okay?
- Q: In the SBS Question Corner in Volume 7, it said that Sanji is 19, but my friend and I discussed it and we think that's a lie. How old is he really?
- A: I'm sorry if you think it's a lie, but it's true. True, I tell you!!
- Q: Why did "Red-Leg" Zeff eat his right foot? Wouldn't it have been smarter to eat his left foot?
- A: Bzzzz. That's wrong, actually. The plant foot is the foundation of a strong kick. How could you kick a ball with your right foot if you had no left foot to stand on? You couldn't! Ask a friend who plays soccer. A good hard kick depends on the foot that supports your weight!!
- Q: Stand at attention, Oda Sensei! Put your pen down! STOP writing manga! I have a question. My older brother and I take turns buying **One Piece** graphic novels, but we've ended up with two copies of Volume 5. What should we do? You are permitted to pick up your pen if you were listening.
- A: Let's see...Why don't you buy five more copies of Volume 5? Then the fact that you bought two copies will seem like no big deal and you'll just laugh it off! Can I pick up my pen now?
- Q: Luffy needs a musician for his crew, so why hasn't he come to my house? Is it because I don't live near the ocean? Or is it because I'm actually an alien from outer space? Or is it because my feet stink?
- A: It's the feet. Well, that's it for the SBS Question Corner--until the next volume!!

...IF WE'D LET
NAMI AND NOJIKO

THE FISH-MEN
WOULD'VE KILLED

THEY SANK

THIS ISLAND

THAT WE

NAMI WAS ONLY

I SHOULD
BE ABLE

THAT MUCH

MORE
VOYAGE!!

IT WAS A
LONG ROAD,
BUT NOW
THERE ARE
ONLY \$7
MILLION
TO GO.

IT'S A LONG
ROAD AHEAD.
STILL \$99
MILLION
TO GO...

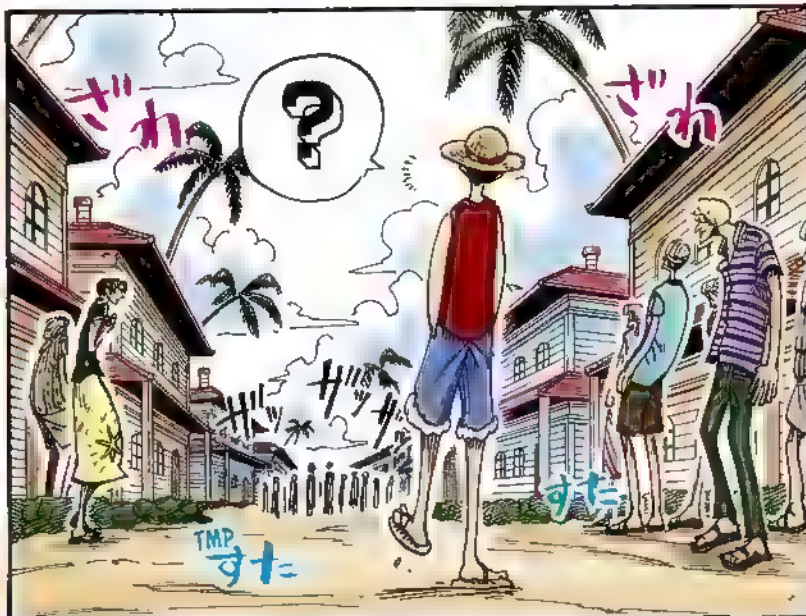

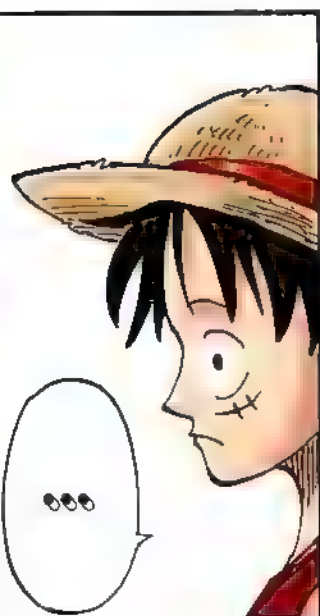

WE'LL BE
FREE OF
ARLONG
AT LAST!!!

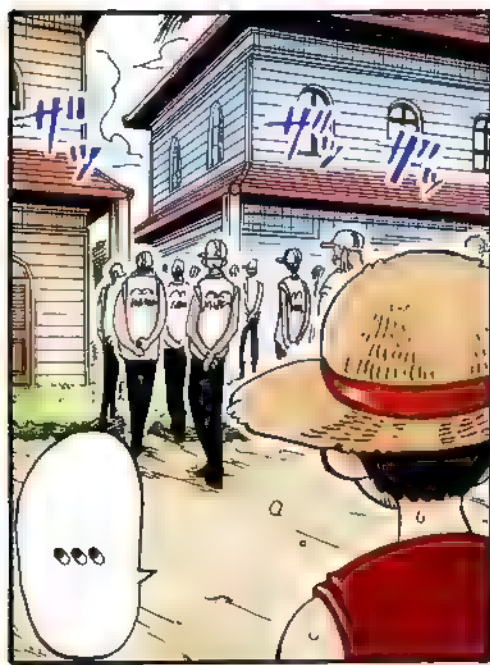

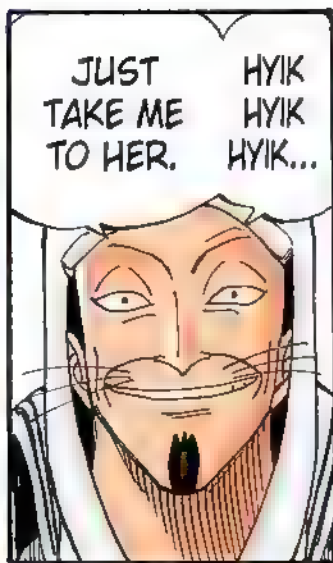

AND
ALL MY
SUFFERING
WILL HAVE
PAID
OFF!!!

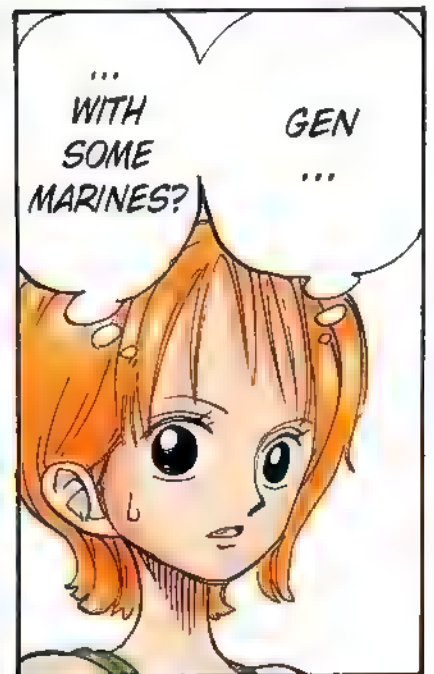

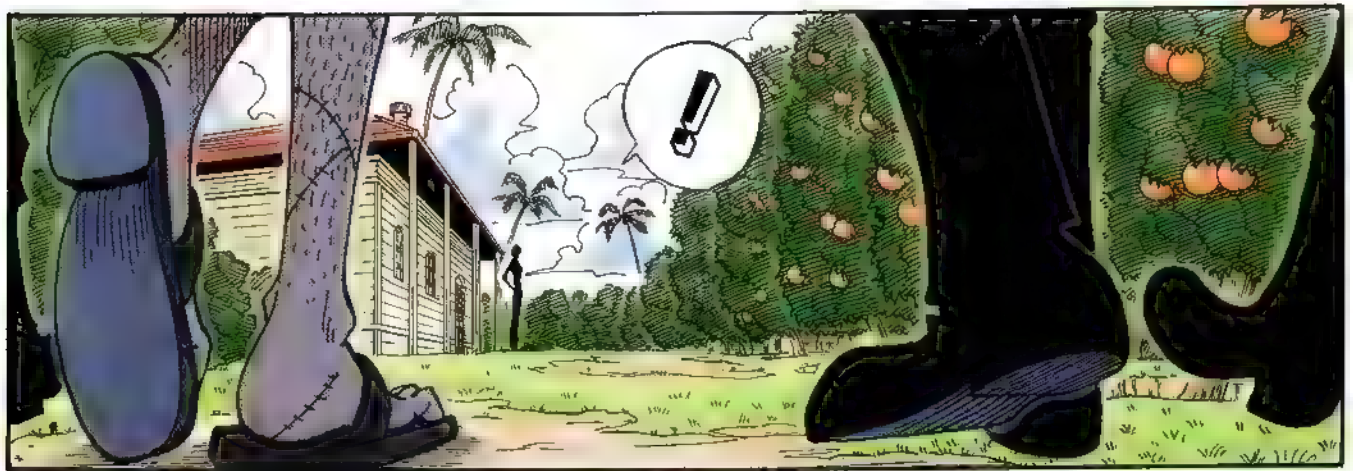

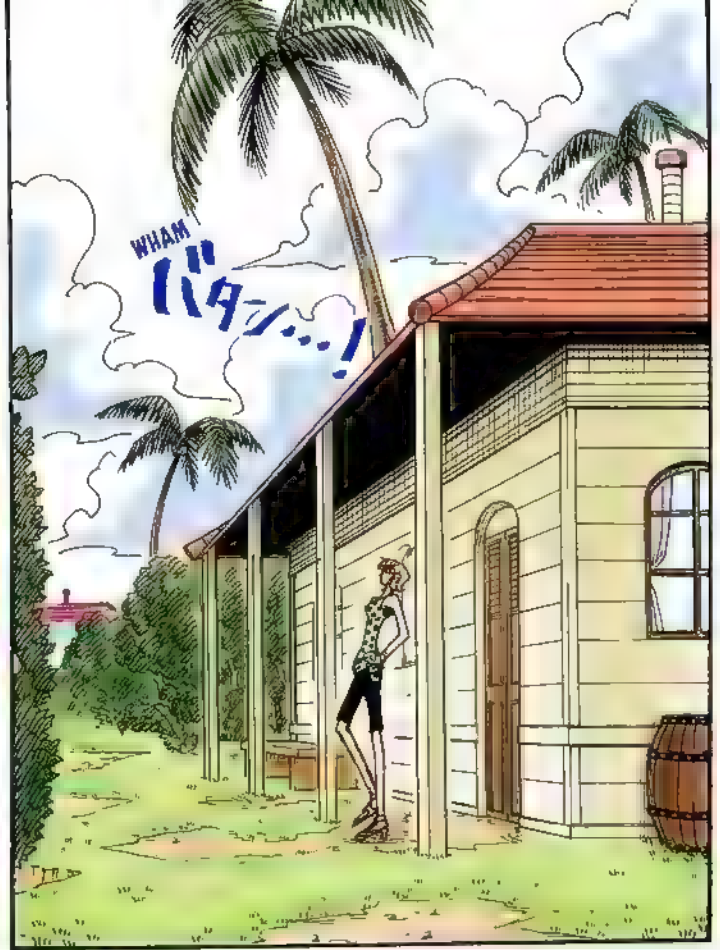

JUST
ONE MORE
VOYAGE
AND OUR
LIVES
WILL BE
OUR OWN
AGAIN!!!

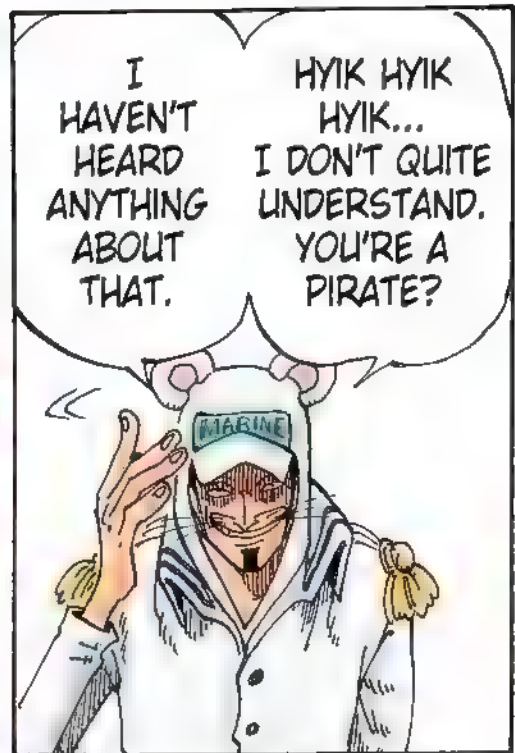

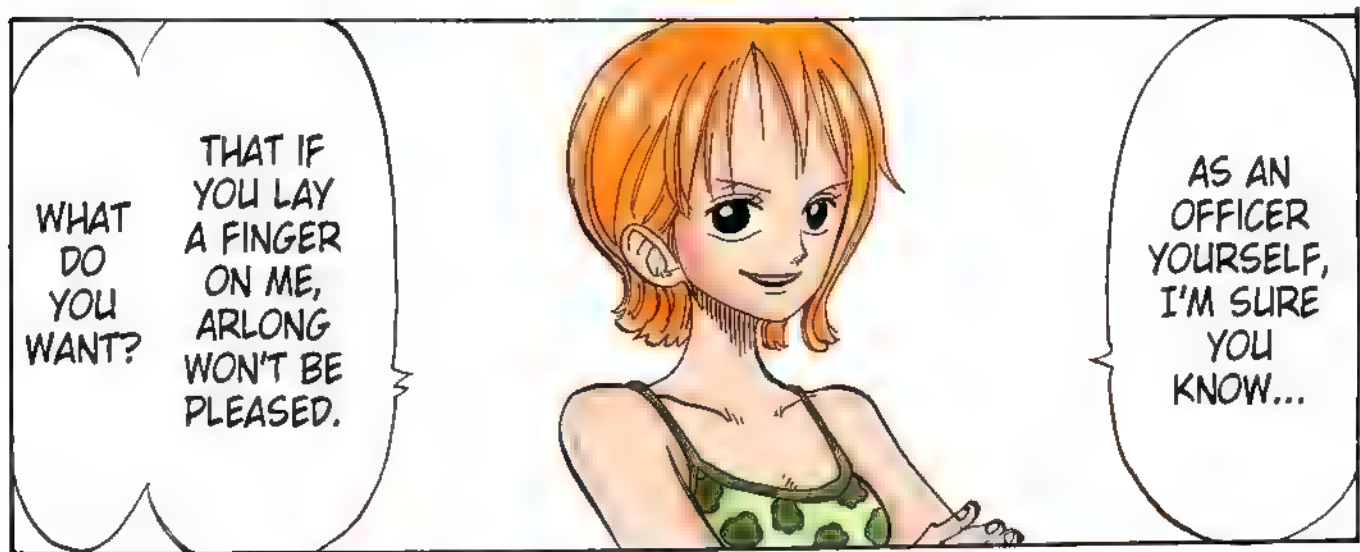

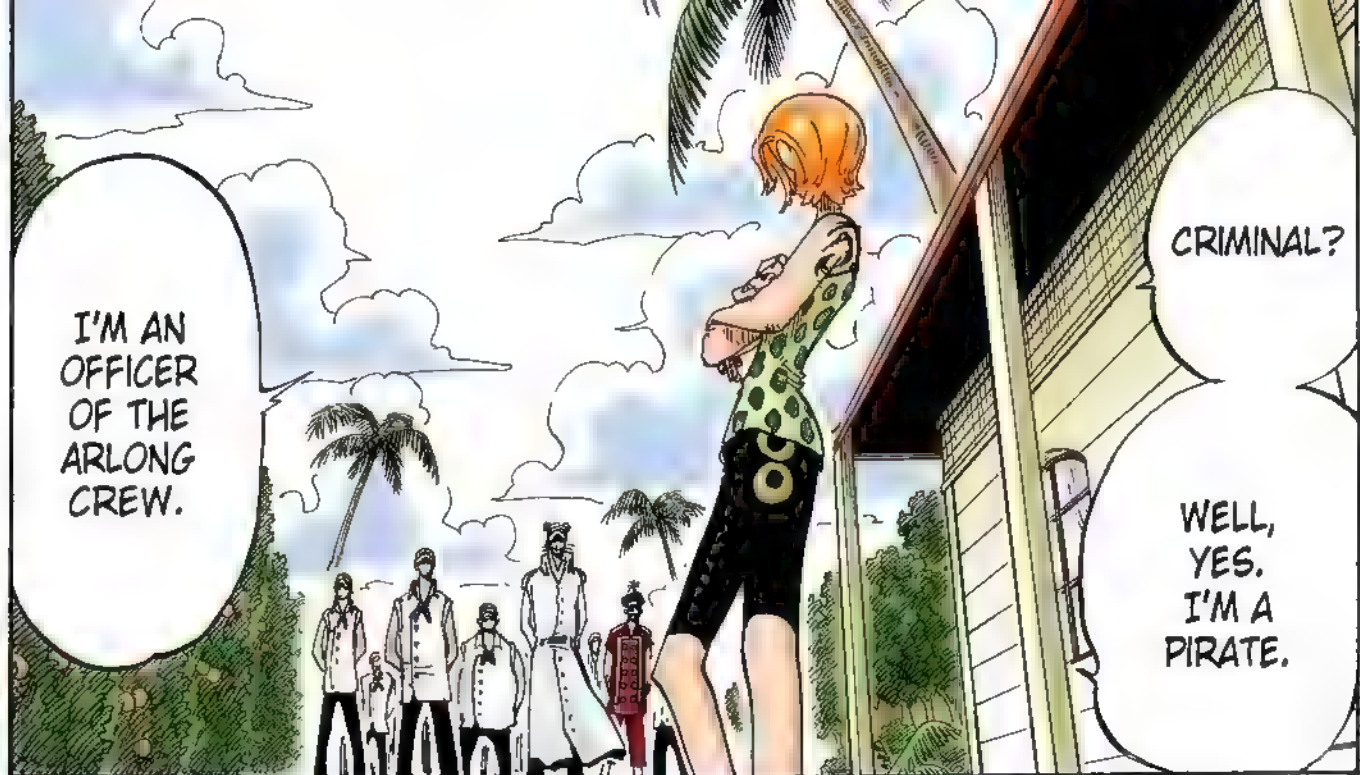

I'LL
FINALLY
BE ABLE
TO LAUGH
FROM MY

AND
THEN,

• VEGA LABO TEAM (VLT)

• NAOKO AMEMIYA (VIZ)

• ANON (AIM)

EDITORS:

• PHANTOM GREYFIRE (PZG)

- MOST OF **SANJI'S ATTACKS** ARE NAMED AFTER DISHES, USUALLY FRENCH DISHES THAT RELATE TO THE BODY PARTS HE'S HITTING, SUCH AS COLLIER BEING THE NECK

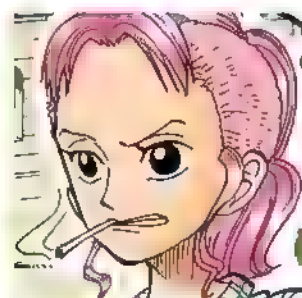

- **CHEW** IS THE JAPANESE SOUND EFFECT FOR KISSING (SMECK), AS CHEW IS A SMELT-WHITING FISH-MAN, ALSO KNOWN AS THE KISSING FISH FOR ITS BIG LIPS

- **KUROOBI'S** NAME TRANSLATES TO "BLACK BELT" GIVEN HIS KARATE THEMING

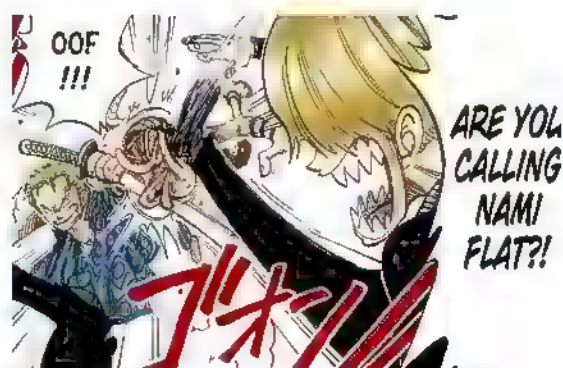

- UNLIKE OTHER PIRATES, **ARLONG'S CREW** IS NOT CALLED THE "ARLONG PIRATES", BUT RATHER IS KNOWN BY A DISTINCTIVE NAME, BEING THE "アーロンの一味", OR THE "ARLONG GANG"/"ARLONG CREW"

- **BELLE-MERE**, OR **BELL-MÈRE** IN THIS CASE, IS THE FRENCH WORD FOR "STEPMOTHER", THOUGH IT MORE LITERALLY MEANS "BEAUTIFUL MOTHER"

- SANJI USUALLY REFERS TO NAMI AS "**NAMI-SAN**", OR "MISS NAMI", TO SHOW RESPECT AND ADULATION TOWARDS HER. HOWEVER, WE DECIDED TO NOT TRANSLATE THIS AS IT WOULD LIKELY COME OFF ANNOYING IN THE LONG TERM IN ENGLISH. SIMILARLY, NAMI ENDS UP CALLING SANJI AS "SANJI-KUN", WHICH IS A HONORIFIC USED AMONG YOUNG PEOPLE TO REFER TO SOMEONE THEY ARE ON FRIENDLY TERMS WITH BUT NOT QUITE FAMILIAR, WHICH NAMI USES TO ESSENTIALLY KEEP SANJI AT BAY

- ZORO ESSENTIALLY SAYS THAT NAMI WAS A "SMALL FRY", WHICH SANJI MISUNDERSTANDS FOR NAMI HAVING A "SMALL CHEST", BUT THE JOKE DOESN'T COME OFF AS NATURALLY IN ENGLISH, SO INSTEAD FELL FLAT WAS USED

- LUFFY REFERS TO NAMI AS A "**NAKAMA**", WHAT IS ARGUABLY THE MOST COMPLICATED TERM TO TRANSLATE IN THE ENTIRE MANGA. THIS TERM TRANSLATES INTO "COMRADE", OR RATHER "CREWMATE" IN THIS CONTEXT, BUT JAPANESE ANIME AND MANGA IN PARTICULAR HAVE GLORIFIED THIS WORD IN JAPAN AS MEANING A SENSE OF CAMARADERIE THAT SURPASSES ANY BONDS, WITH ONE PIECE IN PARTICULAR POPULARIZING IT A LOT. DESPITE WHAT SOME MIGHT SAY, THE WORD IS MEANT TO BE USED FOR IMPACT IN THE ORIGINAL JAPANESE TEXT.

YOU'RE
OUR
CREWMATE.
WE'RE
COMRADES.

WE
CAME
TO
GET
YOU!!

AS SUCH, SOME EARLY TRANSLATIONS WISHED TO LEAVE THIS UNTRANSLATED, BUT IT JUST COMES OFF AS STIFF IN ENGLISH. WHILE SOME TRANSLATIONS JUST USE "FRIENDS" OR "COMRADES", WE DECIDED TO KEEP IT LITERAL AS "CREWMATES" AS LUFFY'S RELENTLESS USE OF THE WORD EVEN IN A CONTEXT WHERE IT SEEMS UNNECESSARY HELPS DRIVE HOME HOW THIS WORD HOLDS PARTICULAR IMPORTANCE TO HIM AND THE OTHERS, UNLIKE WHAT ITS SIMPLE SOUND MAY FIRST SUGGEST.

AS A NEAT DETAIL, AS A RESULT OF THIS, MANY ONE PIECE FANS AFFECTIONATELY CALL EACH OTHER IN THE FANDOM AS "NAKAMA"

- THE FRUITS BELL-MÈRE GREW ARE **MIKAN**, WHICH IS A CITRUS FRUIT SIMILAR TO THE TANGERINE. WHILE THEY ARE TECHNICALLY NOT THE EXACT SAME FRUIT, THEY WERE TRANSLATED INTO "TANGERINES" AS MOST NON-JAPANESE WOULDN'T REALLY BE FAMILIAR WITH THE JAPANESE MIKAN

- THE TITLE OF CHAPTER 81 IS "**NAMIDA**", WHICH MEANS "TEARS", BUT IT CAN ALSO JUST MEAN "TO BE NAMI" ("DA" SIMPLY MEANS "TO BE"), PERHAPS BEING AN INTENTIONAL WORDPLAY. "NAMI" CAN ALSO BE THE WORD FOR "WAVES", RELATING TO NAVIGATION

- LUFFY'S LOUD "**OF COURSE I WILL!!!!!!**" IS THE FIRST TIME IN THE SERIES HE USES A TOTAL OF FIVE EXCLAMATION MARKS

Eiichiro Oda

Volume

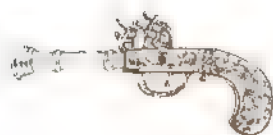

10

Here's volume 10. It's been two years since I started this series. Two years...two years... Back then Sazae-san, who's 24, was only 24... Oh, now that I think about it, I'm now the same age as Sazae-san. But it seems like I used to be the same age as Katsuo-kun. Who will it be next? Norisuke-kun? Taiko-san? Tara-san? It makes me laugh to say "Tara-san." Or "Ikura-san." What am I going on about? Anyway, I'm the same as ever—not working, just drawing manga.

-Eiichiro Oda, 1999

Editor's note: The aforementioned names belong to ageless characters from the beloved cartoon series, *Sazae-san*.

E

iichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

The story of ONE PIECE 1»10

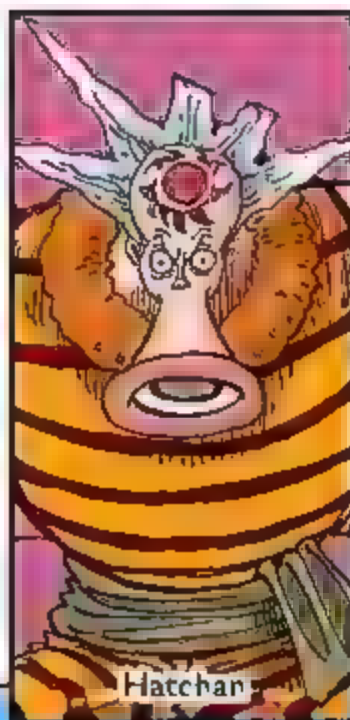

Kuroobi

Sanji

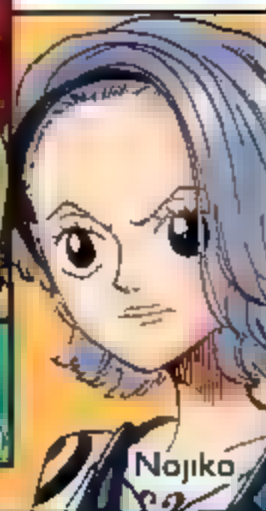

A kind-hearted cook searching for the legendary sea, All Blue! But he's a womanizer

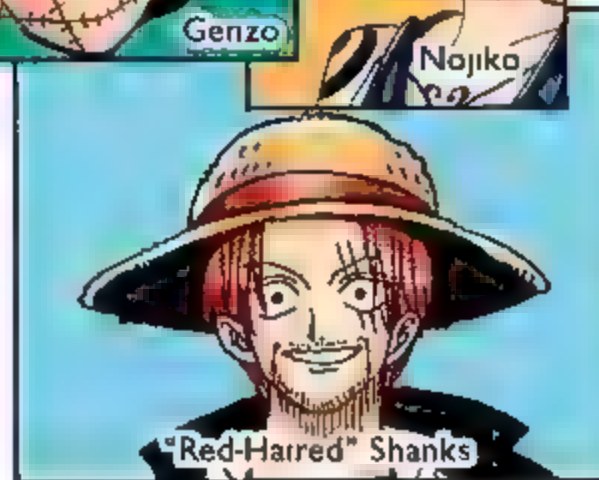

Hatchan

Genzo

Nojiko

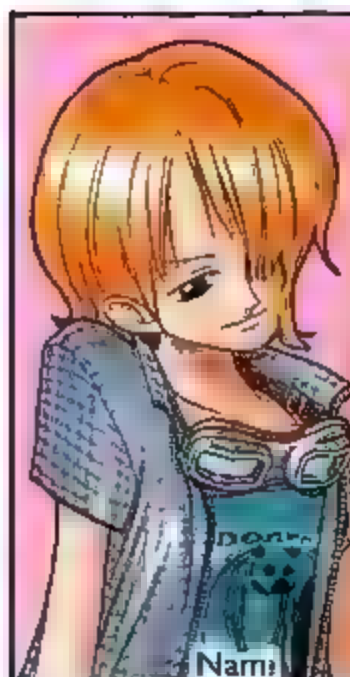

"Red-Haired" Shanks

It is currently the Great Pirate Era. Countless pirates have raised their flags and gone to battle to find the hidden treasure left behind by the legendary Pirate King, Gold Roger: the treasure said to "connect all as one", the One Piece. Among those who admire pirates like Roger is a young boy named Luffy. He also admires Shanks, the leader of a pirate crew who was staying in his

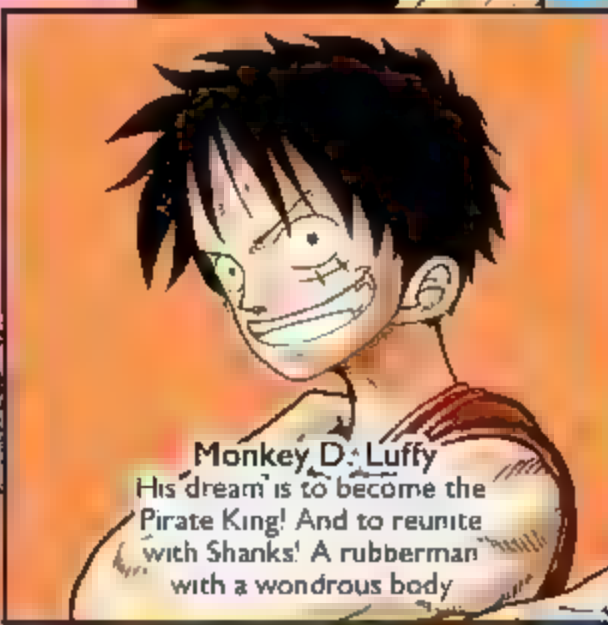

village. One day, he accidentally ate their spoil of battle, a 'Devil Fruit'. The fruit's special powers robbed Luffy of his ability to ever swim again, but also peculiarly turned his whole body into stretchy rubber! Soon afterward, however, he angered some bandits who had confronted Shanks and was tossed into the sea. As he was drowning, Luffy was set upon by a sea monster, but in an instant, Shanks was there to rescue him!—at the cost of his left arm.

10 years later, using Shanks's straw hat as his trademark, Luffy set out to sea. His great journey to become the Pirate King had begun.

Nami

A self-proclaimed "thief who specializes in robbing pirates". The thing she hates the most in the world is pirates!

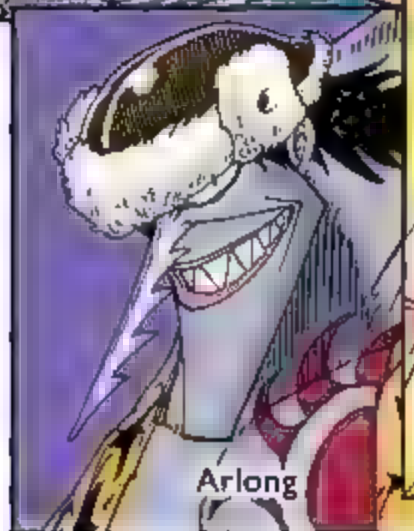

Monkey D. Luffy

His dream is to become the Pirate King! And to reunite with Shanks! A rubberman with a wondrous body

Roronoa Zoro

His objective is to be the World's Strongest Swordsman! He bears the epithet of "Pirate Hunter Zoro"

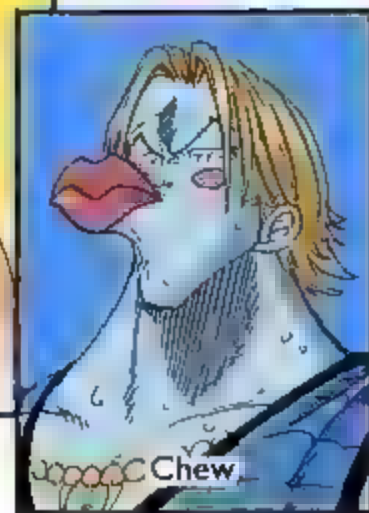

Arlong

Usopp

He calls himself "Usopp the Proud". His father, Yasopp, is a member of Shanks' crew

Chew

Luffy and his crew, on their journey towards the Grand Line, fought a fierce battle against the pirate admiral Don Krieg at a seafaring restaurant and emerged victorious. They also succeeded in recruiting Sanji, the perfect sea cook, as their new crewmate. Just when they thought they were finally setting off for the Grand Line, Nami disappeared. Zoro and Usopp, who had gone ahead to search for her, arrived at a town ruled by the fish-men of Arlong Park. There, they were shocked to discover Nami's true allegiance, with the tattoo of Arlong's crew engraved on her arm.

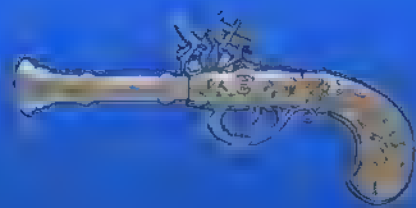

Unaware of this, Luffy and the others arrived on the island, initially refusing to accept the truth. However, after hearing from Nami's stepsister Nojiko that their beloved foster mother Bell-mère had been killed by Arlong, they understood why Nami despised pirates so much. They also learned that she had been saving money to free her village. Finally, unable to continue her lonely struggle, Nami cried out to Luffy from the depths of her heart: "Help me..."

Q: This is Timmy Ueda of the SBS Takeover Gang!
I'm going to begin the SBS Question Corner before you do,
Oda Sensei!!
SBS will now begin!!

A: Agh! Oh no, you did it!
Damn you, Timmy.
Now I can't do it! Well, I guess it's already begun.

Q: Hello, Oda sensei. On page 92 of volume 8, in panel 6,
it says "Find Pandaman," but I can't find him.
Where is he?

A: Oh, that. I got a lot of
postcards about that. Some
people found him and some
didn't. First of all, I didn't
even expect people to
notice those tiny words.
Nevertheless, I'll give the
answer. Inside the lower
circle, it does indeed say,
"Find Pandaman!!!" And
Pandaman can be seen in
the circle at the upper right.

Q: When Arlong and the other Fish-men have children, do they lay eggs like fish do?

A: (Buzz) The Fish-men are actually mammals, so they have kids the same way humans do. Of course, that's the job of the Fish-women.

Q: I, like, totally wanna know the heights of the crew. That Nami is, like, soooo cute!

A: The main five, eh? All right. Um, first of all, Gaimon's height is. Just kidding. Okay, I'll start with the shortest Nami's 169cm, Luffy is 172cm, Usopp is 176cm, Sanji is 171cm, and Zoro is 178cm. So basically, they're all like about the same height.

Q: Of the Fish-men, Hatchan is the cutest and funniest. So what I wonder is, how come his full name is Hatchan and his nickname is Hachi? (In Japanese, "-chan" is usually part of a nickname.)

A: You know how Chinese people sometimes have Chan as a last name? It's kind of the same thing.

Q: What is that thing wrapped around the waists of Usopp and most of the pirates that appear in *One Piece*? A towel? Or are they trying to copy Zoro's haramaki?

A:

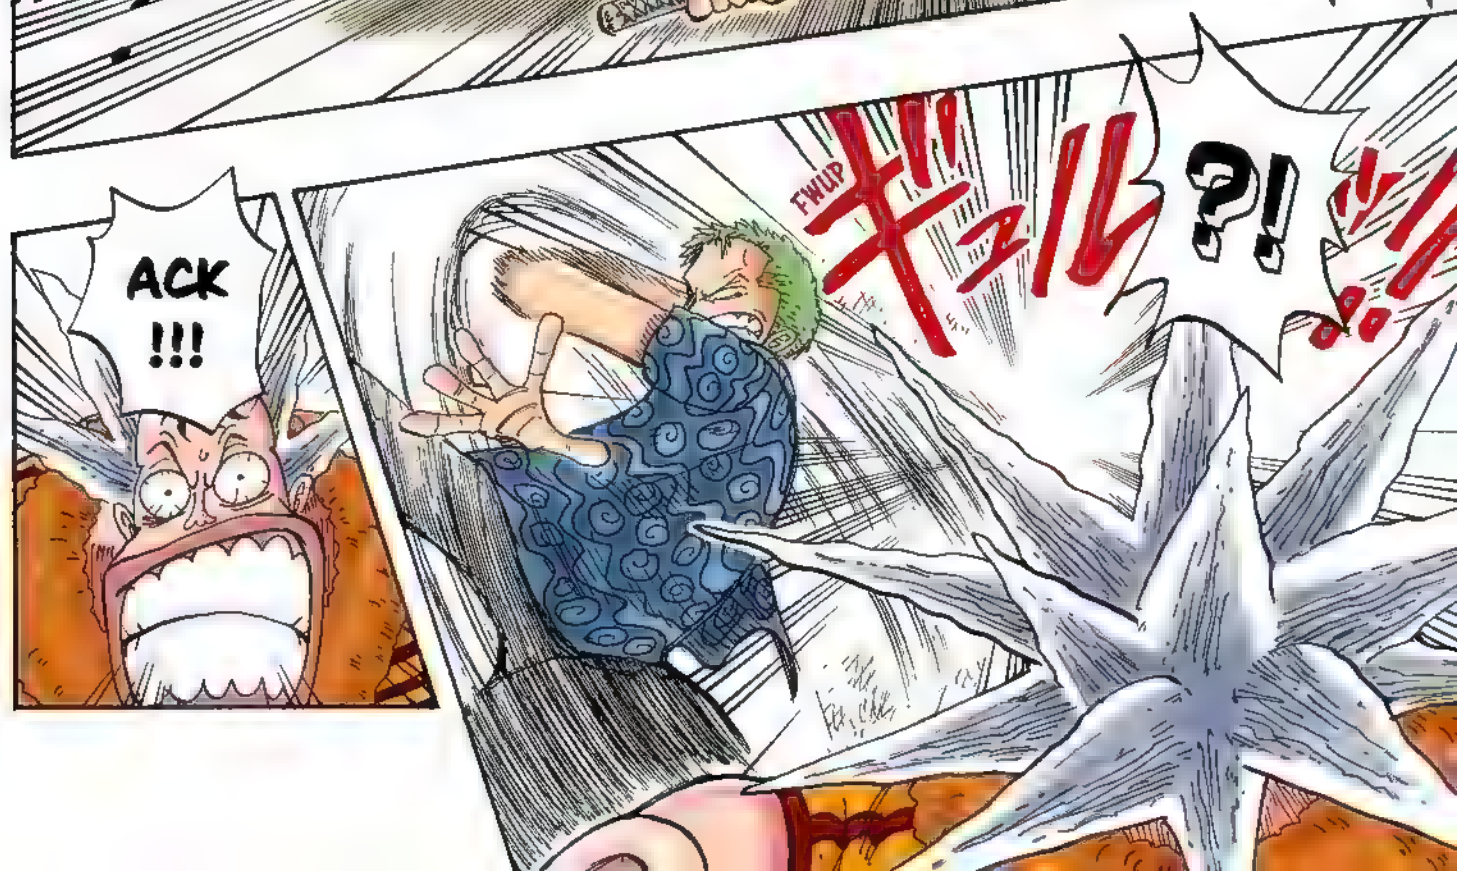

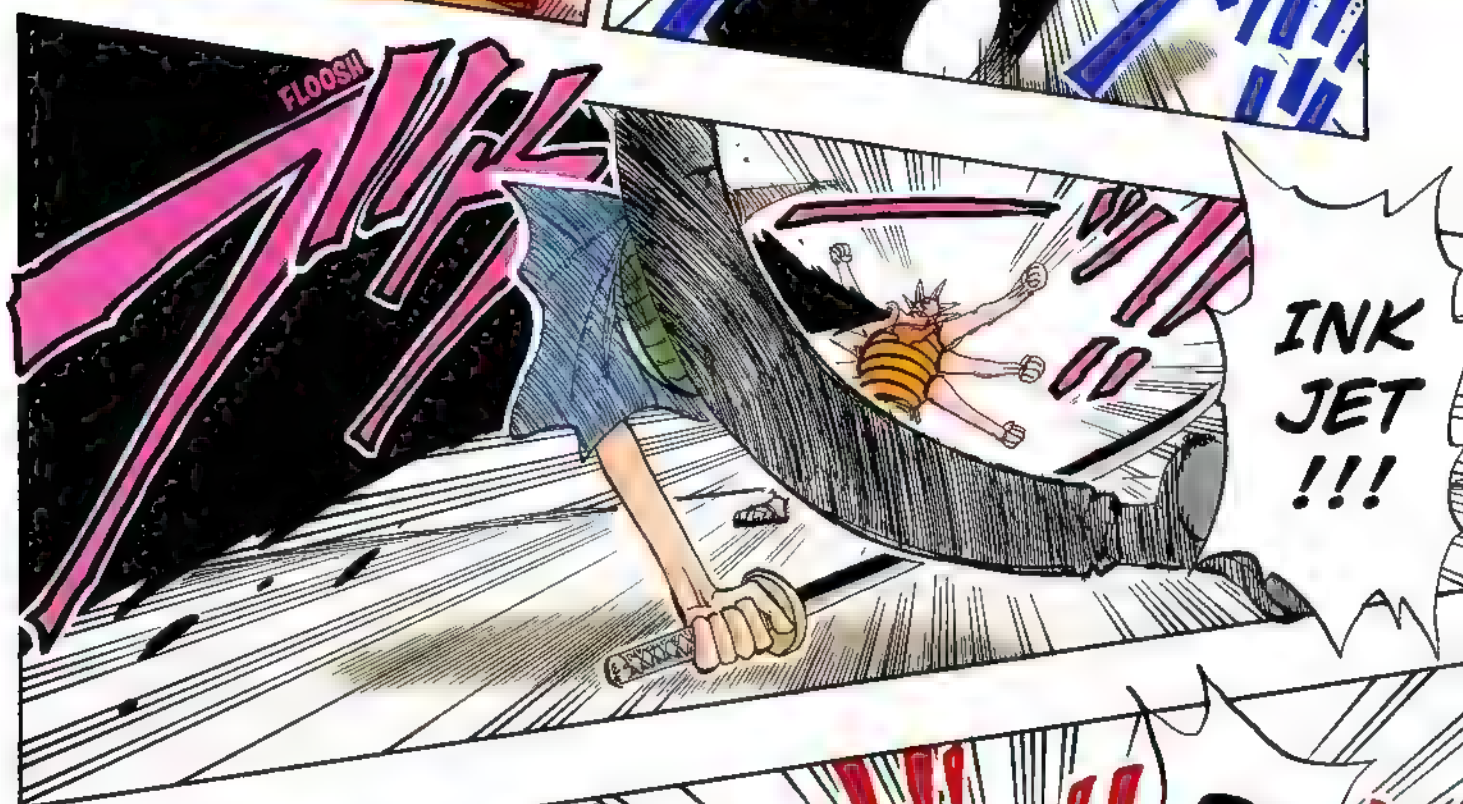

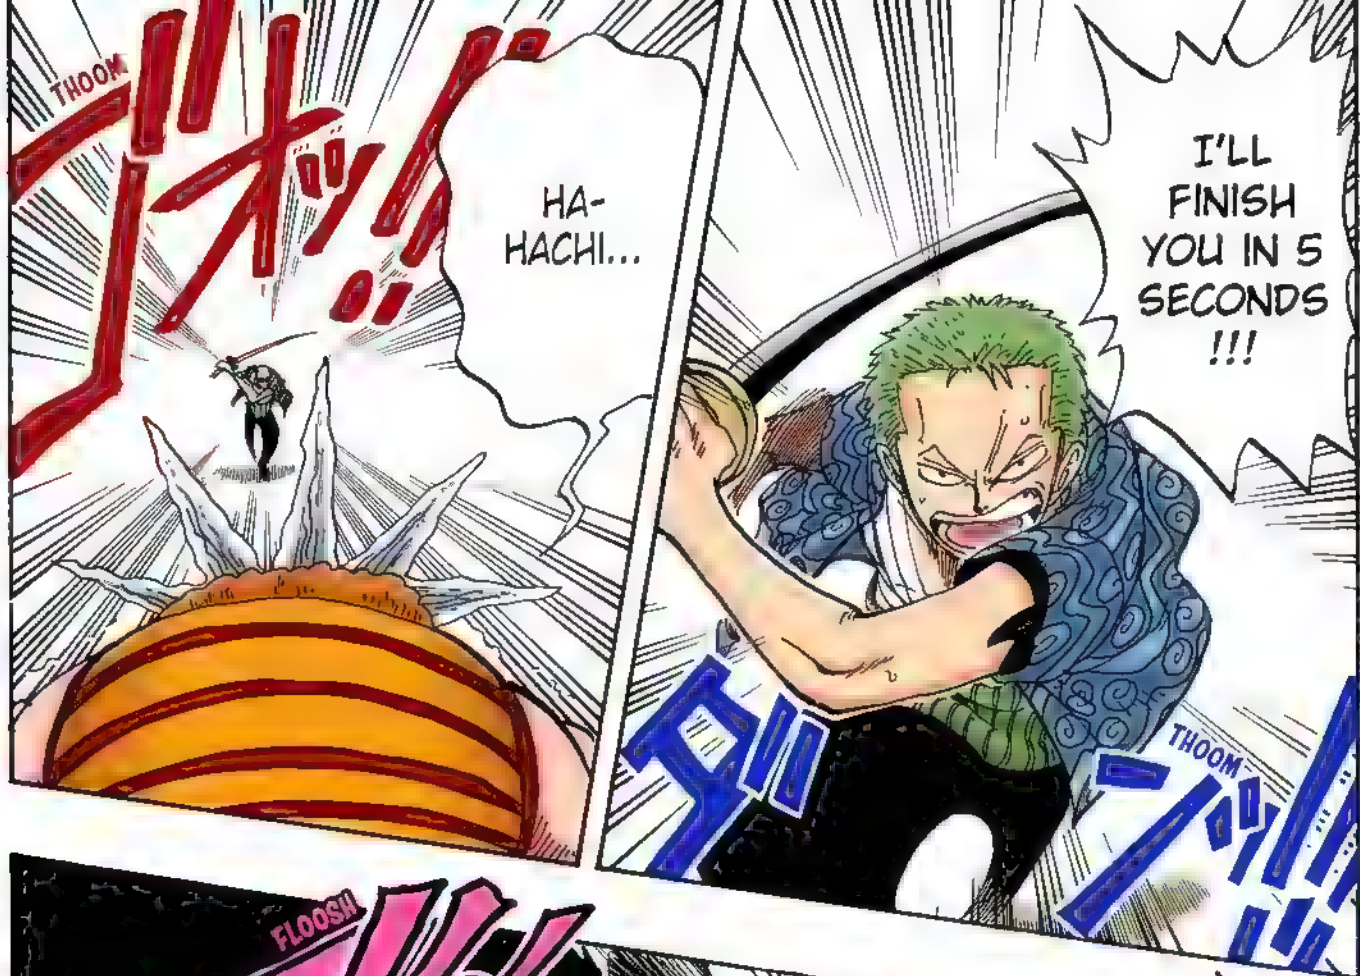

◀ You mean this? Yeah, they're all wearing it, huh. But there's no deep significance to it. It's just a sash. It seems that pirates liked to wear them. But they used to stick pistols and knives in them, so they aren't just for show.

Threeeee.♡

A: Daaaaah!!!! Oh...I'm being played.

Q: Yo! Wassup? ONE PIECE is A-OK! It's always lots of fun and a regular storm of emotions. This is my first time writing to a manga artist. ♡
Oda Sensei, you're a character I like.

A: I'm not a character.

Q: The other day a friend asked me to draw Shanks, so I did. Then suddenly my friend hit me on the head and said, "How come you drew Jango!?" Am I sick?

A: Yes. It's an illness. It's "Jango Drawer's Disease." You just keep drawing Jango. Late-stage symptoms include drawing Jango even when you're signing for deliveries, so please be careful.

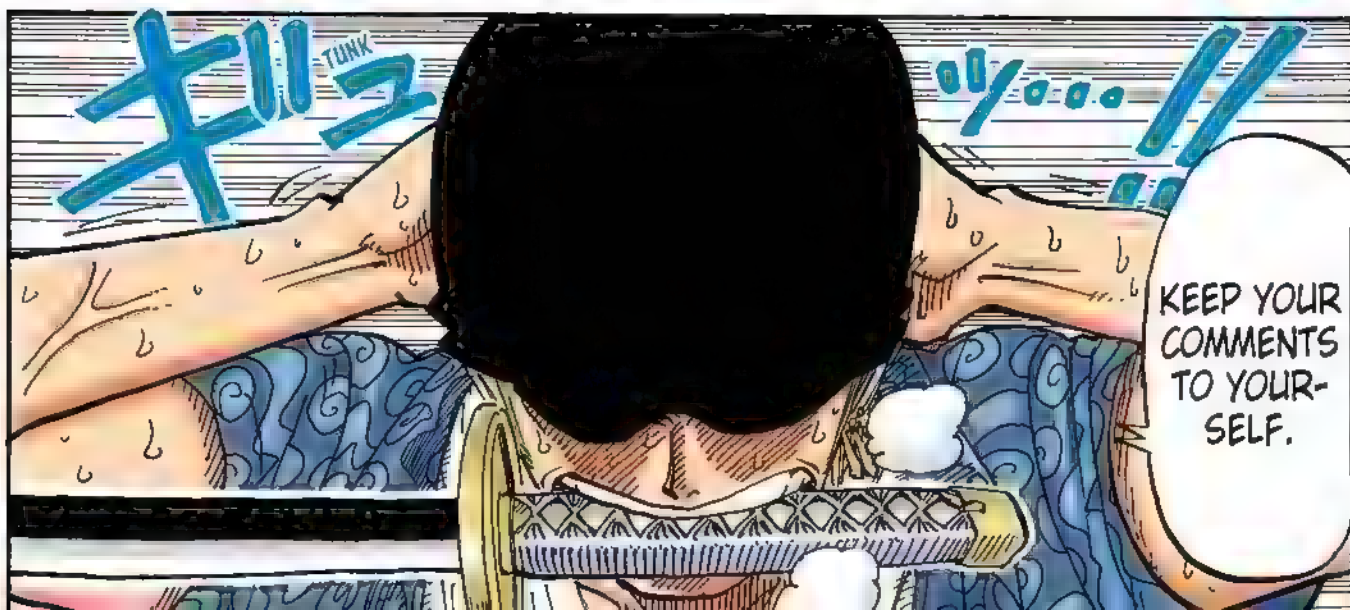

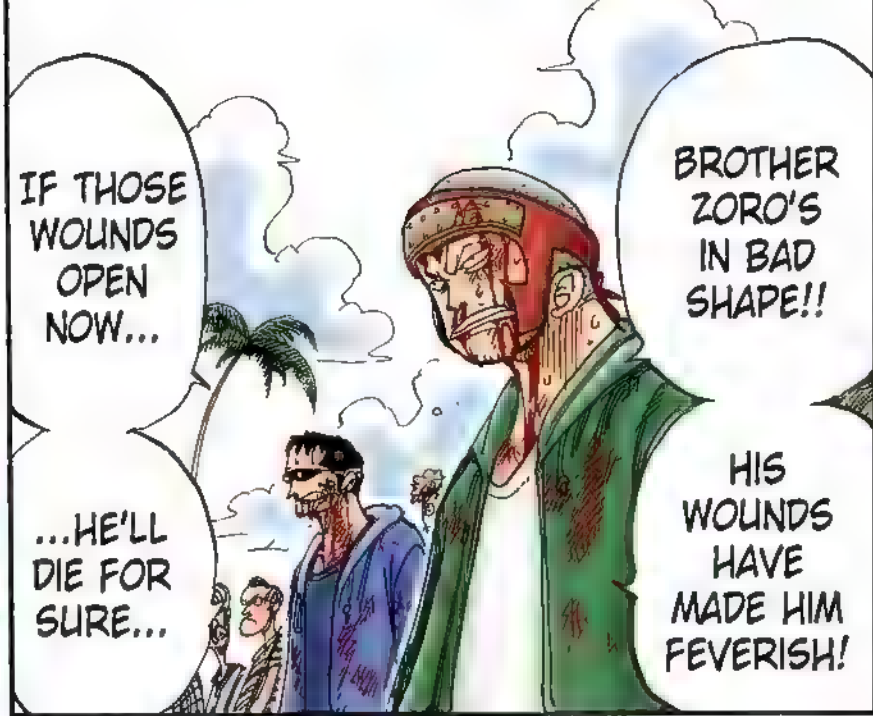

Q: That thing that's perched on Zeff's head on page 121 of volume 8 is a hat, right? My mom won't believe me. She says, "It's too tall to be a hat. There must be a pole behind him." Sensei, please tell her yourself so the blockhead (age 44) will believe it.

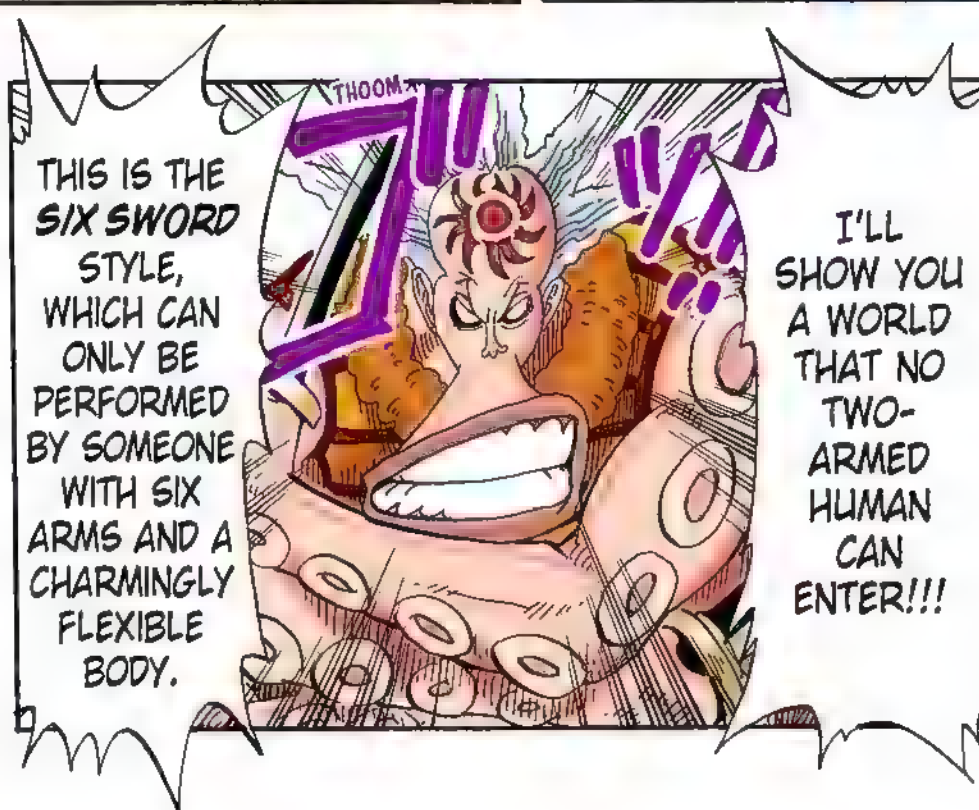

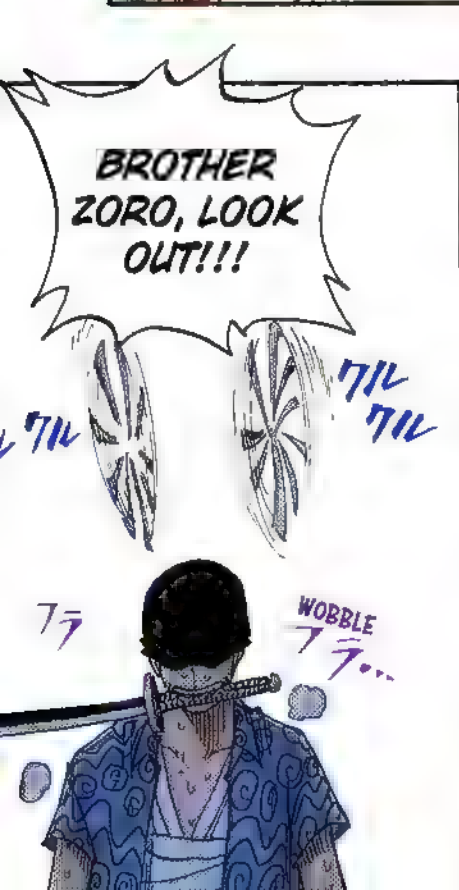

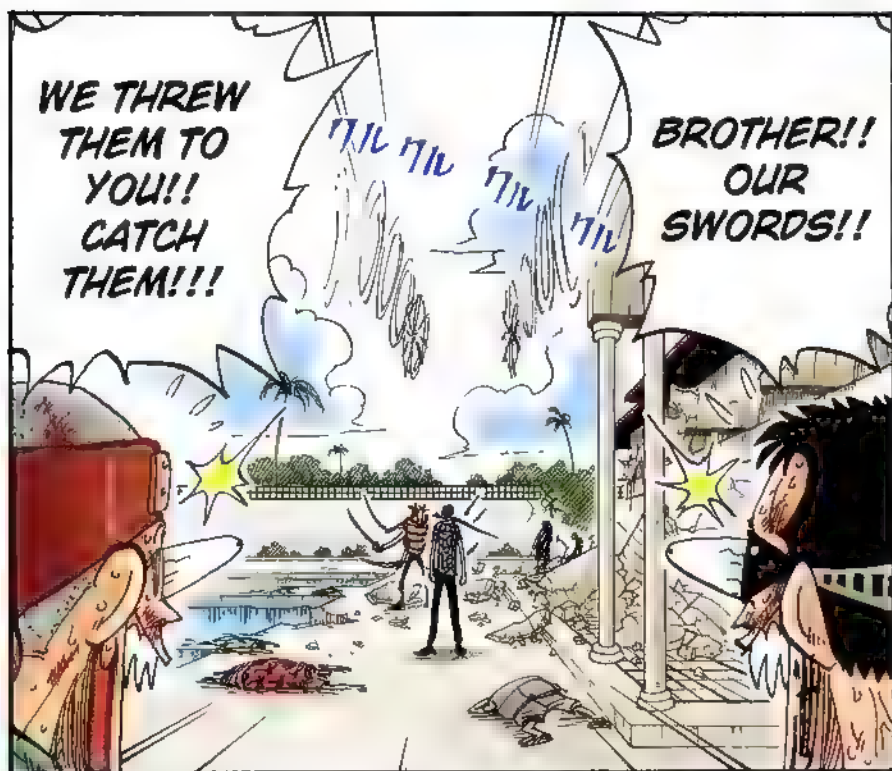

A: Er, Mom, please listen carefully. In this world, there are facts that cannot be bent and realities from which we cannot avert our eyes. The thing that looms above Zeff's head is a "Tower of Faith" that rises up because of his spirit. It is called the "Blue Heavens-Dividing Chef's Hat!" It's true!!!!

Q: Sensei! I thought up a new technique for Luffy. He stretches his mouth and eats up his enemy and later flushes him down the toilet along with his *oop! What do you think? Good idea, huh?

A: No.

Q: I've got a question for Oda Sensei. Whaddaya call Bell-mère's hairdo?

A: It's called "women are brave." Go to the Beauty parlor and shout it out.

Q: I'm glad that brother Sanji is attracted to women and not attracted to men.

A: Uh, totally

Q: When Sanji is thinking about a girl, his cigarette smoke forms the shape of a heart. How does he do that? I want to do that too!! Please (x100) teach me!

A: Hmm. First you have to be over 20 years old. Then light a cigarette and take a deep puff of smoke. Let the smoke soak up the feelings of love that you've prepared in your lungs and exhale it from your mouth. The smoke will surely come out in the shape of a heart.

Q: I can't quite decide whether Yosaku and Johnny are strong or not. I'm within a hair's breath of being able to tell. But really, between those two and Helmeppo, who will develop more?

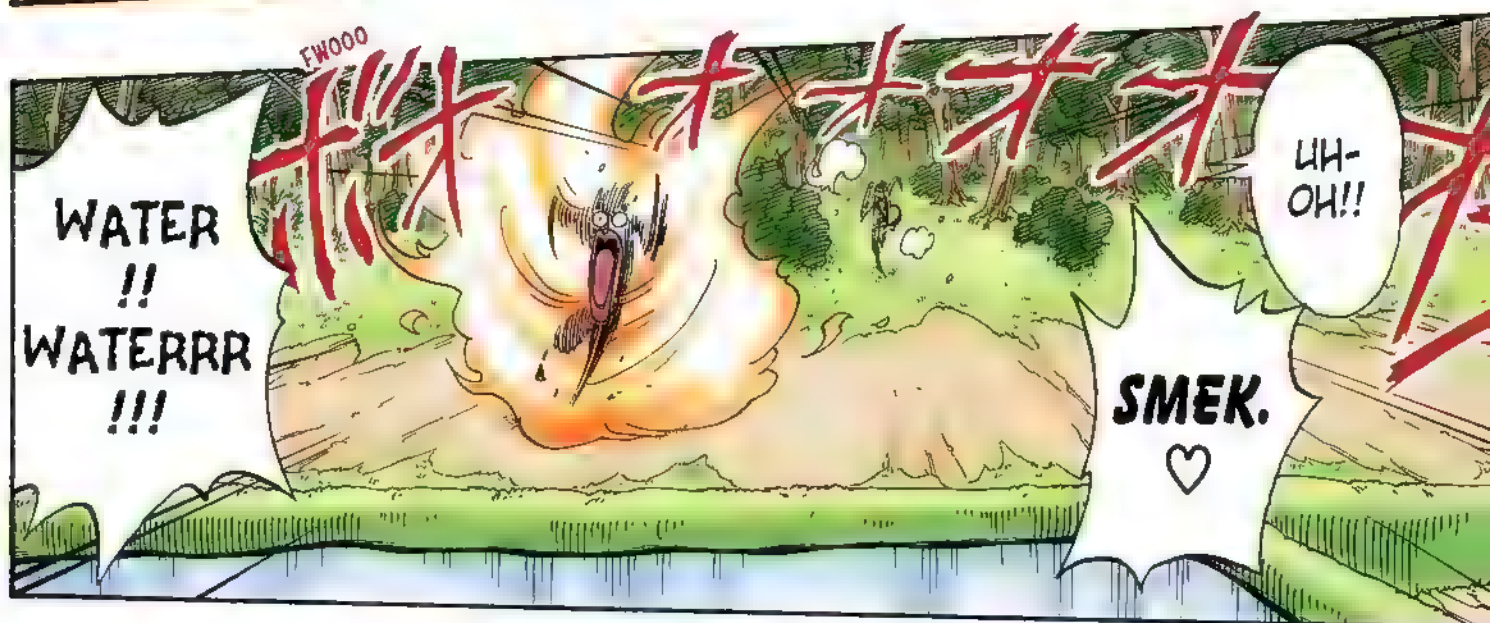

A: I have high hopes that, one day, Kaya will become an excellent doctor.

Q: After reading your manga, Sensei, I'm inspired to follow my dream. My dream is to build a big bridge in America.

A: That's nice. A young man with dreams. I like that. All right then, do it. And if anyone gets in your way I'll go and--wearing hard leather boots--stomp on the pinky toe of his foot, so don't worry. Go for it.

Q: Knock, knock, Oda Sensei. Oda-body home!!?

A: Give me a Break.

Q: When Patty the Cook says "I'm turniply saucy," what does it mean?

A: "I'm terribly sorry." He tends to make things sound like food. For example, he might say: "He's quite a man. He did lettuce of ham-glazing a-cheese-mints. Peas apple-and him." But if you say things like that, people will probably look at you funny.

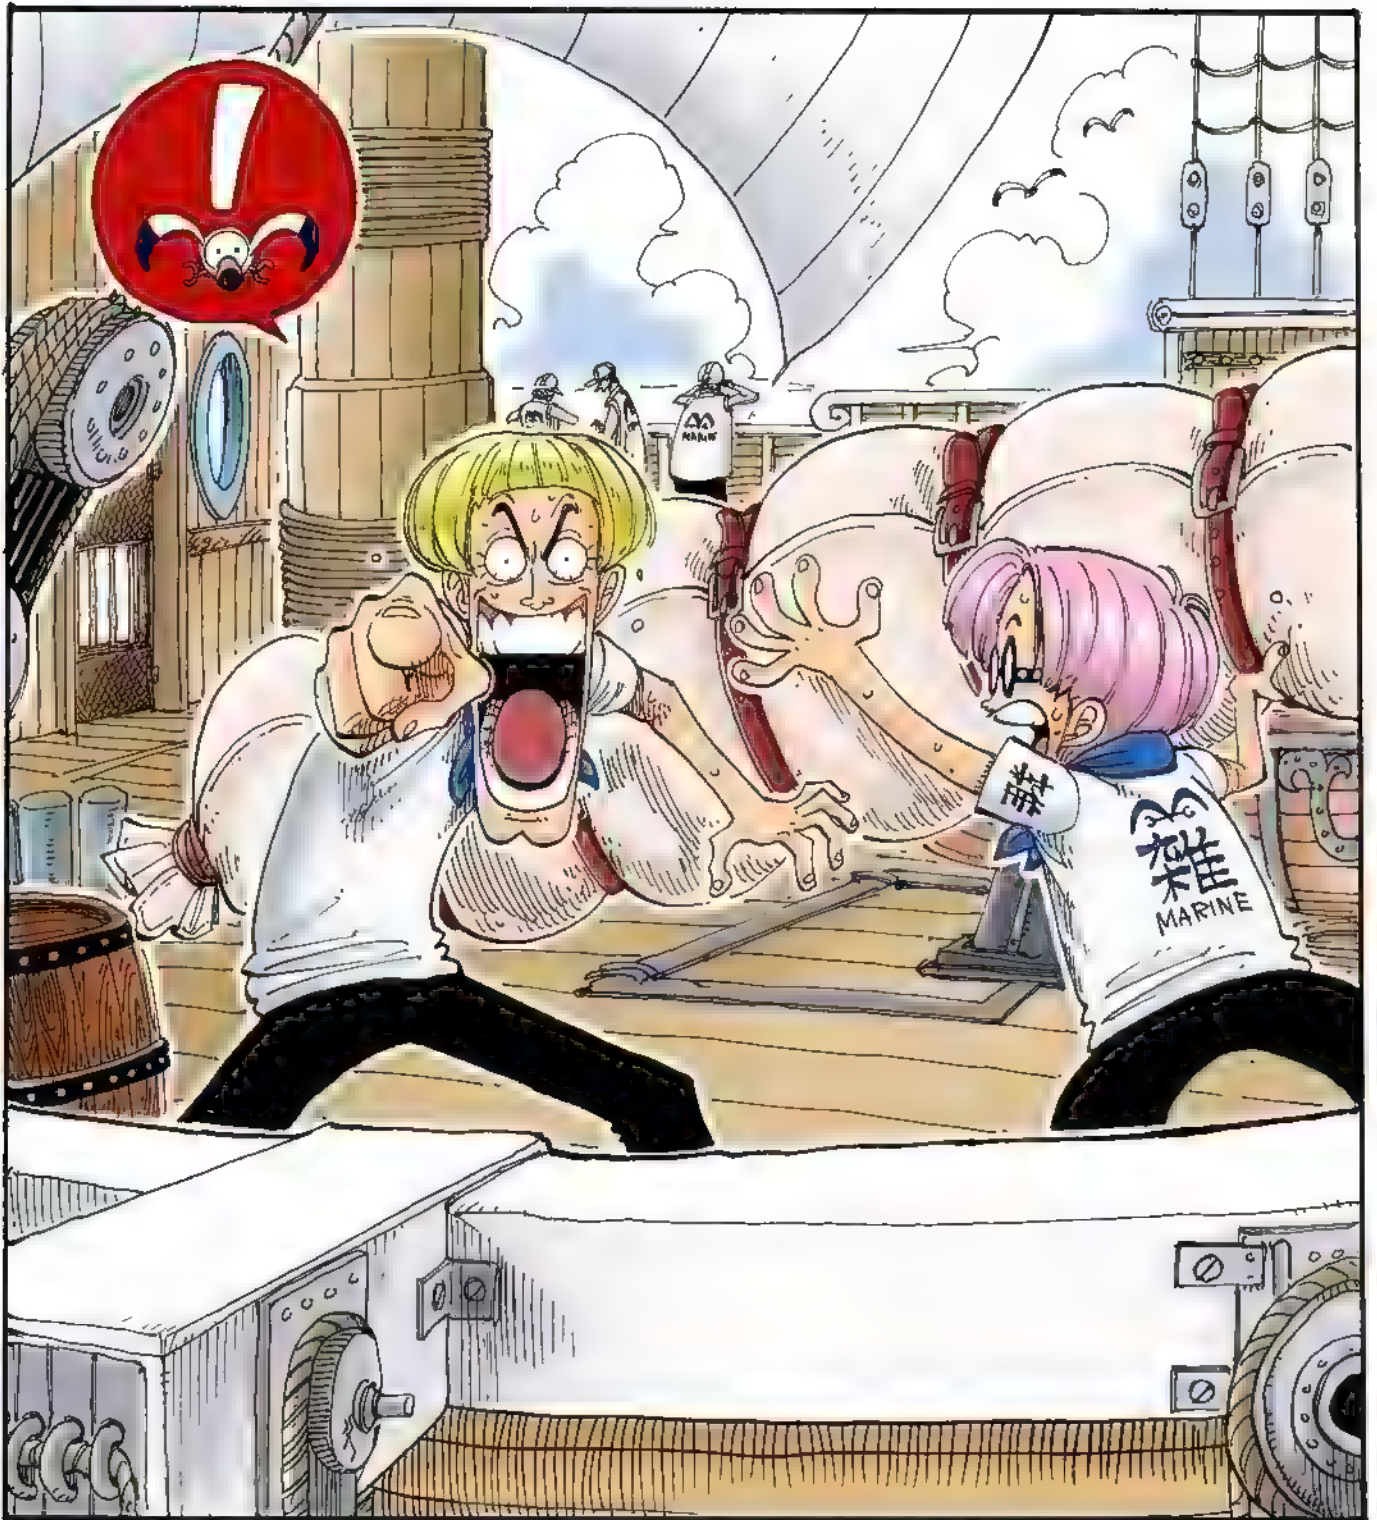

Q: A question for you. Is there a bone in Usopp's nose? I've seen it bend so many times. Like *squish*.

A: I've never seen that Bend...like *squish*? How absurd...

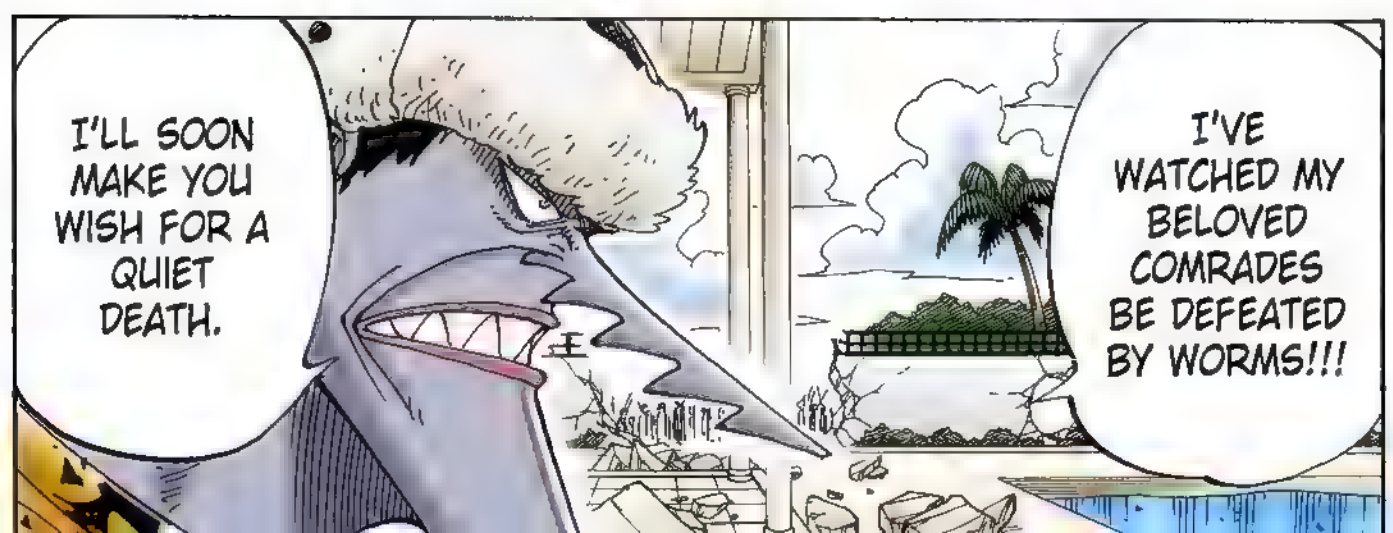

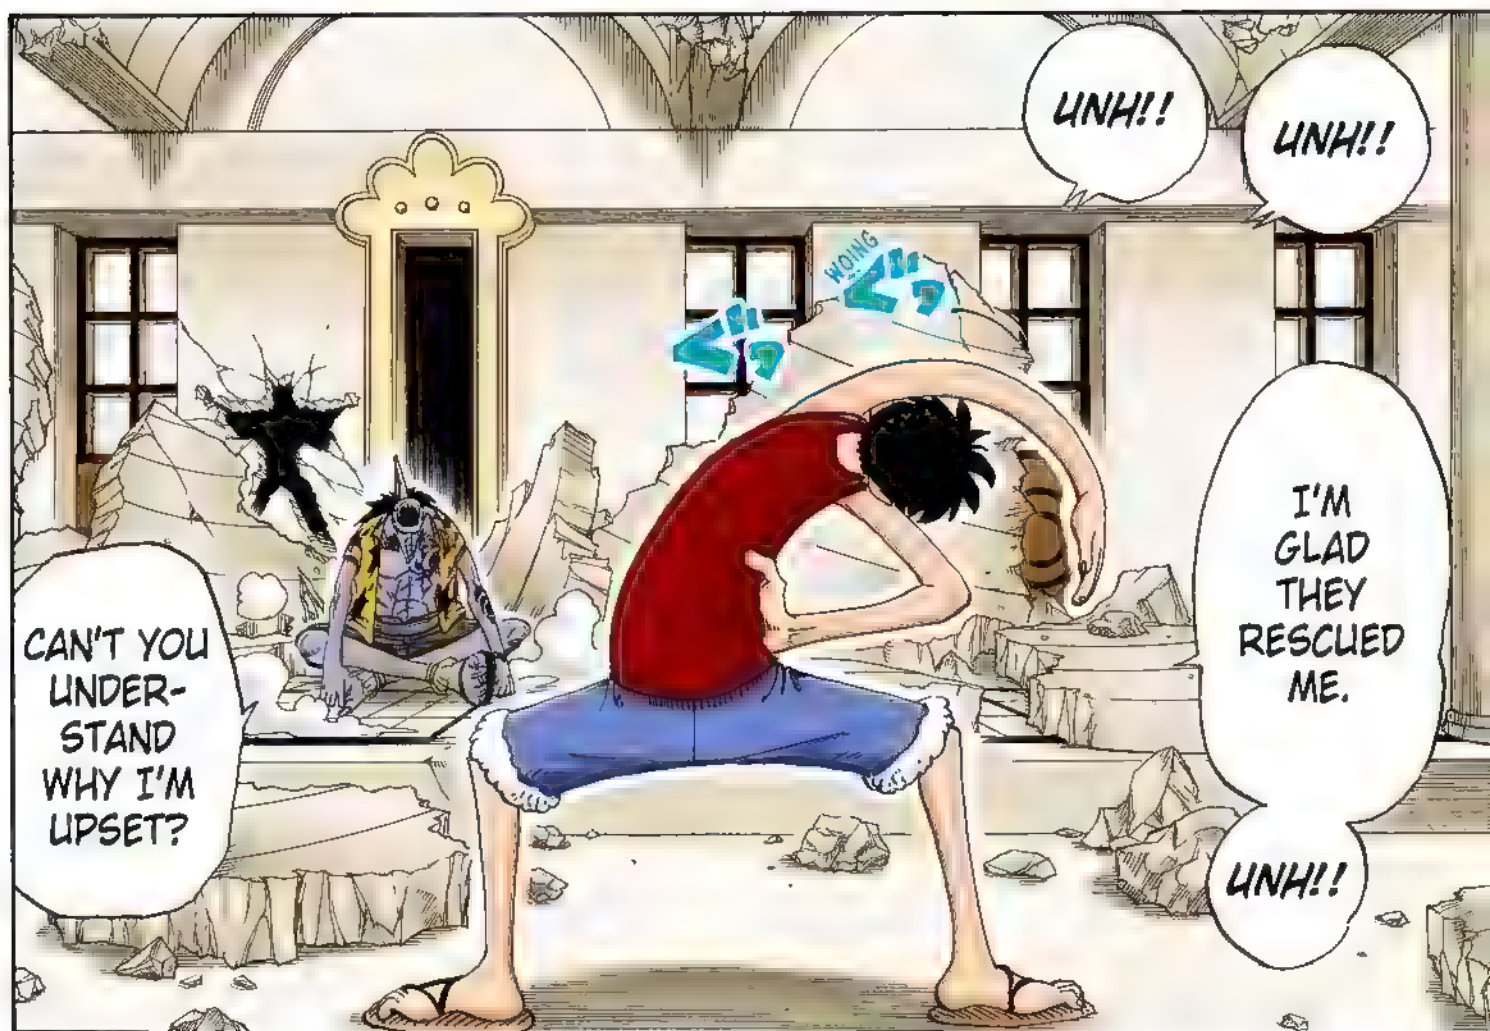

Whoa!! It does Bend!!!

- SANJI REFERS TO KUROOBI AS "**TUNAMAN**". IN THE ORIGINAL, THIS WAS "**SAKANAMAN**", WHICH LITERALLY MEANS "FISH-MAN", BUT INSTEAD OF USING THE KANJI FOR IT, HE JUST USES THE WORD FOR FISH (SAKANA) WITH THE ENGLISH "MAN", TO KINDA MAKE HIM SOUND LIKE A SUPERHERO

- HATCHAN'S ATTACK, "**TENTACLE SWORD OVERLOAD**" IS CALLED "TAKOASHI KIKEN", WHICH IS A JAPANESE EXPRESSION THAT REFERS TO AN OUTLET WITH TOO MANY CABLES PLUGGED INTO IT, MAKING IT LOOK LIKE THE LEGS OF AN OCTOPUS. HOWEVER, IN THIS CASE THE OCTOPUS LEGS ARE VERY LITERAL

- ZORO'S MOVE OF **TORO NAGASHI**, OR "WOLF STREAM", REFERS TO A FESTIVAL PRACTICE OF SENDING LANTERNS DOWN A RIVER, AND THUS IT REPRESENTS ZORO'S ATTACK BEING AS FLUID AS A PEACEFUL CEREMONIAL STREAM

- KUROOBI'S **TILE FIST** ATTACKS REFER TO THE KARATE PRACTICE OF TRYING TO BREAK SEVERAL TILES WITH JUST ONE STRIKE, THOUGH THEY ARE FAR MORE THAN A NORMAL HUMAN COULD BREAK. SIMILARLY, 40TH DEGREE OF KARATE ISN'T A THING IN REAL LIFE, WITH THE MAXIMUM IN KARATE BEING 10TH DEGREE

- KUROOBI'S **OTHER ATTACKS** ARE ALL GENERALLY RANDOM PUNS, SUCH AS MANTA WRAP USING "ITOMAKI" MEANING MANTA RAY BUT ALSO THREAD SPOOL, BOWEL BUSTER USING "HARAKUDASHIGERI" WHICH MEANS EITHER STOMACH KICK OR LAXATIVE DIARRHEA, OR GUFFAW PALM BOMB USING "JODAN" WHICH MEANS BOTH HIGH-RANK IN KARATE BUT ALSO A JOKE

Hello and thank you for taking our bus tour. We're heading toward the 100th chapter of *One Piece*. On your right, you can see the thumbs held up high. There's plenty more action and adventure ahead!

-Eiichiro Oda, 1999

E

iichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

A self-proclaimed "thief" who specializes in robbing pirates!
The thing she hates the most in the world is pirates!

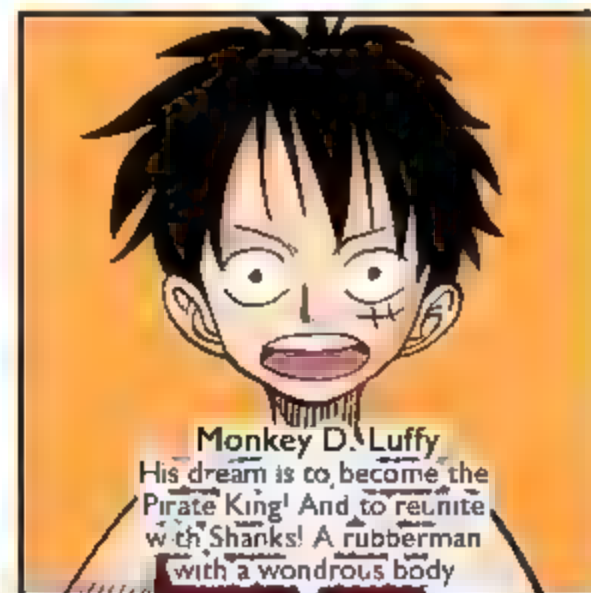

Luffy and his crew, in their quest for the Grand Line, set out to find the missing Nami and headed directly for Arlong Park, a town ruled by fish-men. There, they were confronted with a shocking revelation: the tattoo on Nami's arm symbolised her allegiance to the fish-man Arlong. However, after hearing from her stepsister Nojiko about how their beloved foster mother Bell-mère had been killed by Arlong, they finally understood why Nami despised pirates so much. She had been saving money to free her village.

Upon hearing Nami's heartfelt plea, Luffy confronts Arlong, but falls into the sea and finds himself in grave danger. Meanwhile, Luffy's remaining crewmates stay on land to fight Arlong's subordinates in a fierce battle and emerge victorious. Luffy is rescued, leaving the final showdown between him and Arlong...

Sanji

A kind-hearted cook searching for the legendary sea, "All Blue".
But he's a womanizer.

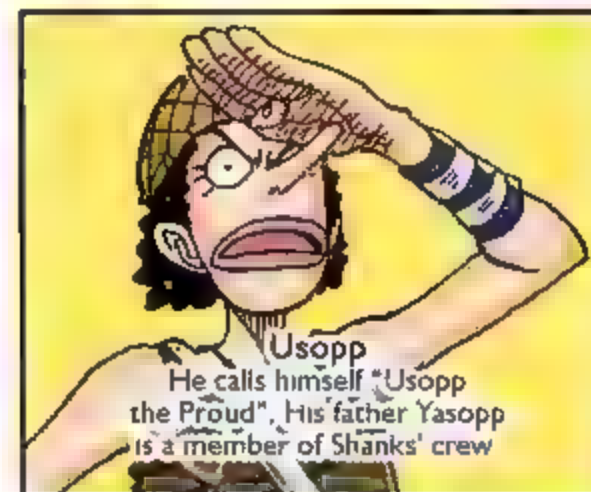

Monkey D. Luffy

His dream is to become the Pirate King! And to reunite with Shanks! A rubberman with a wondrous body.

Roronoa Zoro

His objective is to be the World's Strongest Swordsman!
He bears the epithet of "Pirate Hunter Zoro"

Usopp

He calls himself "Usopp the Proud". His father Yasopp is a member of Shanks' crew.

It is currently the Great Pirate Era. Countless pirates have raised their flags and gone to battle to find the hidden treasure left behind by the legendary Pirate King, Gold Roger: the treasure said to "connect all as one", the One Piece. Among those who admire pirates like Roger is a young boy named Luffy. He also admires Shanks, the leader of a pirate crew who was staying in his village. One day, he accidentally ate their spoil of battle, a "Devil Fruit". The fruit's special powers robbed Luffy of his ability to ever swim again, but also peculiarly turned his whole body into stretchy rubber! Soon afterward, however, he angered some bandits who had confronted Shanks and was tossed into the sea. As he was drowning, Luffy was set upon by a sea monster, but in an instant, Shanks was there to rescue him!—at the cost of his left arm.

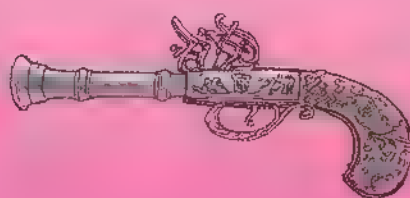

10 years later, using Shanks's straw hat as his trademark, Luffy set out to sea. His great journey to become the Pirate King had begun.
